CHARGE I.

On or about January 6, 2004, while employed with and stationed at Eisenhower Army Medical Center, Ft. Gordon, Georgia, Respondent failed to adequately assess the vital signs and status of Patient J, a 63 year-old who had undergone a total knee replacement, every four (4) hours in the post operative phase and while the patient received intravenous Morphine, a known respiratory depressant medication. Four (4) hours after Respondent last administered Morphine, the patient was found without pulse or respiration, and it was determined after resuscitation that the patient had suffered an anoxic brain injury. The cost of proceedings shall include, but is not limited to, the cost paid by the Board to the State Office of Administrative Hearings and the Office of the Attorney General or other Board counsel for legal and investigative services, the cost of a court reporter and witnesses, reproduction of records, Board staff time, travel, and expenses. These shall be in an amount of at least one thousand two hundred dollars ($1200.00).
