TEXAS BOARD OF NURSING

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of License Number 155910 § AGREED
issued to LINDA BARNES JACKSON § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of LINDA BARNES JACKSON, Vocational Nurse License Number 155910, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 302.402(a)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on December 19, 2004, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Tyler Junior College on August 11, 1995. Respondent was licensed to practice vocational nursing in the State of Texas on January 12, 1996.
5. Respondent's vocational nursing employment history:

01/1996 - 06/2001	Unknown	
06/2001 - 08/2004	Agency Nurse	Nursefinders of Tyler Staffing Tyler, Texas
09/2004 - Present	Unknown	

6. At the time of the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent was employed as an agency nurse with Nursefinders of Tyler Staffing, Tyler, Texas, had been in this position for one (1) year and two (2) months, and was on assignment at East Texas Medical Center, Tyler, Texas.
7. On or about August 21, 2002, while employed as an agency nurse with Nursefinders of Tyler Staffing, Tyler, Texas, and on assignment at East Texas Medical Center, Tyler, Texas, Respondent failed to assess and evaluate changes in the medical condition of Patient 347454, an eighty-one (81) year-old patient recovering from a recent total knee arthroplasty, whose changes of condition included decreasing blood pressures, increasing pulse rates, and decreased urinary output. Subsequently, Patient 347454 was found by the oncoming nurse in a lethargic state with confused speech and significant hypotension. Shortly thereafter, Patient 347454 became unresponsive and required transfer to the intensive care unit. Respondent's conduct was likely to injure the patient from undetected progression of clinical complications and may have deprived the patient of timely medical interventions needed to stabilize her medical condition.
8. On or about August 21, 2002, while employed as an agency nurse with Nursefinders of Tyler Staffing, Tyler, Texas, and on assignment at East Texas Medical Center, Tyler, Texas, Respondent failed to document in the medical record that Patient 347454 was experiencing decreasing blood pressures, increased pulse rates, and decreased urinary output. Instead, Respondent documented that the patient was resting quietly and in no distress. Subsequently, Patient 347454 was found by the oncoming nurse in a lethargic state with confused speech and significant hypotension. Shortly thereafter, Patient 347454 became unresponsive and required transfer to the intensive care unit. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she was very ill at the time, and had accepted the assignment to help East Texas Medical Center in order to prevent the facility from being short of staff.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 302.402(a)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §239.11(3)&(27)(A), as amended.
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 155910, heretofore issued to LINDA BARNES JACKSON, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
