Respondent's conduct above was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose.

7. On or about April 16, 2005 through April 17, 2005, while employed with South Austin Hospital, Austin, Texas, Respondent withdrew narcotics, including but not limited to Vicodin, Norco and Morphine, from the medication dispensing system for patients, but failed to follow the policy and procedure for the wastage of the medications, as follows:

Date/Time	Patient	Narcotic Record (Accudose)	Physician's Order	Medication Administration Record	Nurses Notes	Waste

Respondent's conduct was likely to injure the patients in that the administration of Vicodin and Morphine without out a physician's order could result in the patients suffering from adverse reactions. Respondent's failure to follow the policy for wastage was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).

8. On or about April 16, 2005 through April 17, 2005, while employed with South Austin Hospital, Austin, Texas, Respondent misappropriated narcotics, including but not limited to Vicodin and Morphine, belonging to the facility and patients thereof or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
9. On or about October 24, 2005, while employed with Austin State Hospital, Austin, Texas, Respondent engaged in the intemperate use of alcohol in that Respondent submitted a specimen for a drug screen which resulted positive for alcohol; Respondent admitted to drinking alcohol; and Respondent admitted herself into the Starlite Recovery Center, Center Point, Texas. The use of alcohol by a nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

10. On or about May 13, 2006, Respondent was arrested by the Travis County, Texas, Sheriff's Office, for the Third Degree Felony offense of "Burglary of a Habitation," Cause No. 06-202527. This case is currently pending prosecution in Travis County, Texas.
11. On or about May 29, 2006, Respondent submitted a renewal application to the Board of Nurse Examiners for the State of Texas in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the following question:

"Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest (excluding minor traffic violations) since your last renewal? This includes expunged offenses and deferred adjudication with or without prejudice of guilt."

On or about May 13, 2006, Respondent was arrested by the Travis County, Texas, Sheriff's Office, for the Third Degree Felony offense of "Burglary of a Habitation," Cause No. 06-202527. Respondent's conduct was likely to deceive the Board of Nurse Examiners for the State of Texas, and may have affected the Board's decision to license her.

12. Respondent's last known date of sobriety is October 24, 2005, as indicated in Finding of Fact Number Nine (9).
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(2)(9)(10)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(D) and 22 TEX. ADMIN. CODE §217.12(4),(6)(G)&(I),(8)&(10)(A)(C)(D)&(E), &(13).

FINAL ORDER

Case No. 10-240

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Registered Nurses, in the State of Oregon. Kari Kristina McKinley (Licensee) is a Registered Nurse in the State of Oregon.

This Matter was considered by the Board on February 10, 2010. Licensee did not appear personally. The issue for the Board was whether to approve the Stipulation signed by Licensee on January 14, 2010, and so dispense with this Matter pursuant to ORS 183.417(3).

Upon review of the Stipulation and the agency file in this Matter, the Board finds that reasonable factual and legal grounds exist to support approval of the Stipulation. It is hereby

ORDERED that the Stipulation signed by Licensee on January 14, 2010, be approved and by this reference incorporated herein, and it is further

ORDERED that the Board accept the Voluntary Surrender of Kari Kristina McKinley's Registered Nurse License and that the Stipulation for Voluntary Surrender be adopted.

DATED this 10 day of February, 2010.

Kari Kristina McKinley, hereinafter referred to as "Licensee" is a licensed Registered Nurse (RN) in the State of Oregon.

Licensee graduated from Excelsior College, New York, with an Associate Degree in Nursing on December 17, 2004. Licensee worked as a Registered Nurse in Oregon from October 2007 to November 2009.

On October 11, 2007, Licensee agreed to have her practice as a Registered Nurse monitored by the Board after she was diagnosed with chemical dependence. Licensee signed a contract agreeing to comply with all requirements of that monitoring.

On or about November 30, 2009, Licensee was found to be out of compliance with her monitoring agreement after suffering her third relapse.

On January 7, 2010, after discussing the matter with Board staff, Licensee decided to voluntarily surrender her Registered Nurse license.

WHEREAS by the above actions, Kari Kristina McKinley is subject to disciplinary action pursuant to violations of ORS 678.111(1) (e) (f) and OAR 851-045-0070 (5) (c); and (7) (e) which provide as follows:

ORS 678.111 (1) (e) and (f)

(1) Issuance of a license to practice nursing, whether by examination or by endorsement, of any person may be refused or the license may be revoked or suspended or the licensee may be placed on probation for a period specified by the Oregon State Board of Nursing and subject to such conditions as the board may impose or may be issued a limited license or may be reprimanded or censured by the board, for any of the following causes:

(e) Use of any controlled substance or intoxicating liquor to an extent or in a manner dangerous or injurious to the licensee or others or to an extent that such use impairs the ability to

conduct safely the practice for which the licensee is licensed.

(f) Conduct derogatory to the standards of nursing.

OAR 851-045-0070 (5) (c) and (7) (e).

(5) Conduct related to impaired function:

(c) Practicing nursing when physical mental ability to practice is impaired by use of drugs, alcohol or mind-altering substances

(7) Conduct related to achieving and maintaining clinical competency.

(e) Failing to comply with the terms and conditions of Nurse Monitoring Program agreements.

Licensee acknowledges the relevance of the above statutes and rules to this matter and wishes to cooperate with the Board in resolving the present disciplinary problem. She has elected to voluntarily surrender her Registered Nurse license.

THEREFORE, the following will be proposed to the Oregon State Board of Nursing and is agreed to by Licensee:

That the voluntary surrender of the Registered Nurse license of Kari Kristina McKinley be accepted. If, after a minimum of three (3) years, she wishes to reinstate her Registered Nurse license, she may appear before the Board to request reinstatement of her license as a Registered Nurse. She shall provide evidence that she has received treatment for chemical dependence, complied with all treatment and aftercare requirements, and has two years of documented sobriety. Should the Board reinstate the Registered Nurse license of Ms. McKinley, she would be subject to whatever terms and conditions the Board may impose.

Licensee agrees that she will not practice as a Registered Nurse from the date of signature on this Stipulation.

Licensee understands that this Stipulation will be submitted to the Board of Nursing for their approval and is subject to the Board's confirmation.

Licensee understands that this Stipulation for Voluntary Surrender is a public record.

Licensee understands that by signing this Stipulated Agreement she waives the right to an administrative hearing. She acknowledges that no promises, representations, duress or coercion

have been used to induce her to sign this Stipulation.

Licensee has read the Stipulation, understands the Stipulation completely, and freely signs the Stipulation.
