BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED ORDER
License Number 135271 § FOR
issued to CONNIE ELAINE FLEWELLYN § DEFERRED DISCIPLINE

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CONNIE ELAINE FLEWELLYN, Vocational Nurse License Number 135271, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 3, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from South Plains College, Lubbock, Texas, on August 26, 1991. Respondent was licensed to practice vocational nursing in the State of Texas on December 3, 1991.
5. Respondent's nursing employment history includes:

12/1991-11/1996

LVN
Methodist Hospital
Lubbock, Texas

Respondent's nursing employment history continued:

12/1996-10/1997	Unknown
11/1997-12/2008	LVN Lubbock County Jail Infirmary Lubbock, Texas
1/2009-2/2009	Unknown
3/2009-7/2009	LVN Community Access, Inc. Lubbock, Texas
8/2009-present	Unknown

6. At the time of the incident, Respondent was employed as a LVN with Community Access, Inc., Lubbock, Texas, and had been in this position for three (3) months.
7. On or about June 11, 2009, through June 13, 2009, while employed with Community Access Inc., Lubbock, Texas, Respondent failed to appropriately intervene for Patient A. B., when she was summoned by the staff of the patient's group home to examine the patient's forehead and left eye. Respondent found that the patient had dark purple and reddish purple discoloration on her left eye lid, bruising on the sides of her nose, and a small bruised knot at the hairline above her left eye. Rather than calling for emergency transport and care for the patient, Respondent called and scheduled a physician office visit, delaying care for six (6) days. Respondent re-assessed the patient on June 13, 2009 and found that the bruising on the patient's face was "darker and had spread to completely encircle both of the patient's eyes." Respondent again did not call for emergency transport or care for the patient, continuing to delay appropriate care for the patient another four (4) days. Consequently, the patient suffered sub-conjunctival hemorrhage and required surgery to repair retinal detachment. Respondent's conduct exposed the patient unnecessarily to a risk of harm from medical complications including vision loss and blindness.
8. In response to Findings of Fact Number Seven (7), Respondent states that on June 8, 2009, she received a call from a staff member who reported to her that the patient had suffered a superficial injury to her forehead while she was being placed in the transport van. Respondent states that the staff member told her the patient was not in any distress. Respondent states she instructed the staff member to notify her if there was any change in the patient's condition. Respondent states that on June 11, 2009, she went to the patient's group home for a routine evaluation and to follow up on the call from the 8th. At that time she noted the patient had a black eye and a bump on her forehead. Respondent states that the patient's mother was present at this visit and indicated she would like to have the patient evaluated by a physician. Respondent states she called and arranged a physician office visit for the patient.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(M),(1)(Q)&(2)(A) and 217.12(1)(A),(1)(B)&(4).
