BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of License Number 056937
issued to MARILEE M. DENSON

§
§

AGREED
ORDER

On this day, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, accepted the voluntary surrender of License Number 056937, issued to MARILEE M. DENSON, hereinafter referred to as Respondent. This action was taken in accordance with Section 301.453 (c) of the Texas Occupations Code.

Respondent waived representation by counsel, informal conference and hearing, and agreed to the entry of this Order.

The Board makes the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was provided to Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from South Plains College, Lubbock, Texas, on July 19, 1973. Respondent was licensed to practice vocational nursing in the State of Texas on July 19, 1973.
5. Respondent's complete vocational nursing employment history is unknown.
6. On or about September 14, 2004, Respondent was issued an Agreed Order by the Board of Nurse Examiners for the State of Texas which required her to apply and be accepted into the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the Findings of Fact, conclusions of Law, and Agreed Order dated September 14, 2004, is attached and incorporated by reference as part of this Order.

7. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Emerald Healthcare - Rolling Plains Regional Jail and Detention Center, Haskell, Texas, and had been in this position for seven (7) months.
8. On or about October 30 - 31, 2004, while employed with Emerald Healthcare - Rolling Plains Regional Jail and Detention Center, Haskell, Texas, Respondent misappropriated sixty (60) Darvocet N100 tablets, including the control sheet, belonging to the facility and the patients thereof, and/or failed to take precautions to prevent such misappropriation. When confronted by the Deputy Sheriff, Respondent admitted to misappropriating sixty (60) Darvocet N100 and previously misappropriating thirty (30) Tylenol #3 tablets from the facility. Respondent's conduct was likely to defraud the facility and patients of the cost of the medication.
9. On or about October 30 - 31, 2004, while employed with Emerald Healthcare - Rolling Plains Regional Jail and Detention Center, Haskell, Texas, Respondent engaged in the intemperate use of Darvocet N100 and Tylenol #3. Possession of Darvocet N100 and Tylenol #3 is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Darvocet N100 and Tylenol #3 by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
10. On or about October 29, 2004, Respondent failed to comply with the Agreed Order issued on September 14, 2004, by the Board of Nurse Examiners for the State of Texas. Non-compliance is the result of Respondent's failure to enroll and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). Stipulation number one (1) of the Agreed Order dated September 14, 2004, states in pertinent part that: (1) RESPONDENT SHALL, within forty-five (45) days following the date of entry of this final Order, apply to and be accepted into the TPAPN.
11. Respondent, by her signature to this Order, expresses her desire to voluntarily surrender her license to practice professional nursing in the State of Texas.
12. The Board policy implementing Rule 213.29 in effect on the date of this Agreed Order provides discretion by the Executive Director for consideration of conditional reinstatement after proof of twelve (12) consecutive months of abstinence from alcohol and drugs followed by licensure limitations/stipulations and/or peer assistance program participation.
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452 (b) (1), (9) & (10), Texas Occupations Code, and 22 TEX. ADMIN. CODE § 217.12 (5), (6) (G), (10) (A), (11) (B).
4. The evidence received is sufficient cause pursuant to Section 301.453 (d), Texas Occupations Code, to take disciplinary action against License Number 056937, heretofore issued to MARILEE M. DENSON, including revocation of Respondent's vocational license to practice nursing in the State of Texas.
5. Under Section 301.453 (c), Texas Occupations Code, the Board has the authority to accept the voluntary surrender of a license.
6. Under Section 301.453 (d), Texas Occupations Code, as amended, the Board may impose conditions for reinstatement of licensure.
7. Any subsequent reinstatement of this license will be controlled by Section 301.453 (d), Texas Occupations Code, and 22 TEX. ADMIN. CODE § 213.26-.29, and any amendments thereof in effect at the time of the reinstatement.

ORDER

NOW, THEREFORE, IT IS AGREED and ORDERED that the VOLUNTARY SURRENDER of License Number 056937, heretofore issued to MARILEE M. DENSON, to practice vocational nursing in the State of Texas, is accepted by the Board of Nurse Examiners. In connection with this acceptance, the Board imposes the following conditions:

2. RESPONDENT SHALL NOT practice vocational nursing, use the title "licensed vocational nurse" or the abbreviation "LVN" or wear any insignia identifying herself as a licensed vocational nurse or use any designation which, directly or indirectly, would lead any person to believe that RESPONDENT is a licensed vocational nurse during the period in which the license is surrendered.
3. RESPONDENT SHALL NOT petition for reinstatement of licensure until: one (1) year has elapsed from the date of this Order; and RESPONDENT has obtained objective, verifiable proof of twelve (12) consecutive months of sobriety immediately preceding the petition.

4. Upon petitioning for reinstatement, RESPONDENT SHALL satisfy all then existing requirements for relicensure.

IT IS FURTHER AGREED and ORDERED that this Order SHALL be applicable to Respondent's multistate privilege, if any, to practice vocational nursing in the State of Texas.

WHEREFORE, PREMISES CONSIDERED, the Executive Director on behalf of the Board of Nurse Examiners for the State of Texas does hereby accept the voluntary surrender of License Number 056937, previously issued to MARILEE M. DENSON.

Effective this 28th day of January, 2005.

Executive Director on behalf
of said Board

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of License Number 056937 § AGREED
issued to MARILEE M. DENSON § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of MARILEE M. DENSON, Vocational Nurse License Number 056937, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 302.402 (a) (9) & (10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on July 19, 2004, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from South Plains College, Lubbock, Texas, on July 19, 1973. Respondent was licensed to practice vocational nursing in the State of Texas on July 19, 1973.
5. Respondent's complete vocational nursing employment history is unknown.
6. At the time of the incident, Respondent was employed as a Staff Nurse with Hendrick Medical Center, Abilene, Texas.

7. On or about October 2003, through November 2003, while employed with Hendrick Medical Center, Abilene, Texas, Respondent misappropriated Darvocet and narcotics belonging to the facility and/or the patients thereof, or failed to take precautions to prevent such misappropriation. Respondent admitted that she misappropriated Darvocet and substituted placebos. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
8. On or about October 2003, through November 2003, while employed with Hendrick Medical Center, Abilene, Texas, Respondent engaged in the intemperate use of Darvocet (Propoxyphene Napsylate). Possession of Propoxyphene Napsylate is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Propoxyphene Napsylate by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. On or about October 2003, through November 2003, while employed with Hendrick Medical Center, Abilene, Texas, Respondent made false entries in the patients' Medication Administration Record (MAR) and/or nurses notes regarding the administration of narcotics. Respondent admitted to substituting alternative pain medications. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in nonefficacious treatment.
10. Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Respondent's conduct described in Findings Seven (7) through nine (9) was significantly influenced by Respondent's impairment by dependency on chemicals.
13. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 302.402 (a) (9) & (10), Texas Occupations Code, and 22 TEX. ADMIN. CODE § 239.11 (1), (2), (3), (4), (27) & (28).

4. The evidence received is sufficient cause pursuant to Section 301.452 (b), Texas Occupations Code, to take disciplinary action against License Number 056937, heretofore issued to MARILEE M. DENSON, including revocation of Respondent's vocational license to practice nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
