

BEFORE THE TEXAS BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

In the Matter of Registered Nurse § AGREED
License Number 759165 §
issued to DANIEL CORRAL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DANIEL CORRAL, Registered Nurse License Number 759165, herein referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 10, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Paso Community College, El Paso, Texas, on May 9, 2008. Respondent was licensed to practice professional nursing in the State of Texas on July 29, 2008.
5. Respondent's nursing employment history includes:

7/2008-present	RN Providence Memorial Hospital El Paso, Texas
----------------	------------------------------------------------------

6. At the time of the incident, Respondent was employed as a RN with Providence Memorial Hospital, El Paso, Texas, and had been in this position for one (1) year and six (6) months.
7. On or about January 30, 2010, while employed with Providence Memorial Hospital, El Paso, Texas, Respondent replaced Patient Medical Record Number 000614136's nasal gastric tube and had an x-ray taken to confirm that the tube was correctly placed. Respondent restarted the patient's tube feeding without waiting for the radiologist's confirmation. Several hours later when the patient was found to be in acute respiratory distress it was discovered that the patient's feeding formula had been infusing into the patient's right lung and not her stomach as it should have been. Consequently, attempts to stabilize the patient's respiratory status were unsuccessful and the patient died. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective treatment which contributed to the patient's death.
8. In response to Finding of Fact Number Seven (7), Respondent states that he was fairly new to the night shift. Respondent states his normal practice was to ask other nurses to review x-rays with him to determine NG tube placement if there was no physician available to read it. Respondent states he knows now that he violated hospital policy when he started the patient's feeding without radiology confirmation of the placement. Respondent states that he auscultated the patient's abdomen after administering an air bolus to determine placement and that he asked two RN's to come look at the electronic x-ray with him and they both said it looked like the tube was in the stomach and then he re-started the feeding. Respondent states that the patient's vital signs remained stable throughout his shift. Respondent states that when he returned to work that evening and found the patient was in acute respiratory distress, he received orders for a STAT x-ray, and it was discovered that the NG tube was in the patient's right lower lobe (lung).

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(3)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 759165, heretofore issued to DANIEL CORRAL, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
