In the Matter of Vocational Nurse                   §     AGREED  
License Number 136922                                 §  
issued to TAMARA LYNN MUIRHEAD                 §     ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TAMARA LYNN MUIRHEAD, Vocational Nurse License Number 136922, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on September 26, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Kingwood College, Kingwood, Texas, on January 17, 1991. Respondent was licensed to practice vocational nursing in the State of Texas on May 27, 1992.

5. Respondent's vocational nursing employment history includes:

1992 to 1993	Licensed Vocational Nurse (LVN) Kingwood Rehabilitation Hospital Kingwood, Texas
1993 to 1995	LVN Conroe Regional Medical Center Conroe, Texas
1995 to 1997	LVN Columbia N. Houston Home Care Houston, Texas
1997 to 2003	LVN Conroe Regional Medical Center Conroe, Texas
2003 to 2004	LVN Memorial Hermann Home Health Houston, Texas
2004 to 2005	LVN Texas Home Health Cleveland, Texas
2005 to 2005	LVN Gentiva Health Services Houston, Texas
2005 to Unknown	LVN Odyssey Health Care Conroe, Texas
12/05 to 5/06	LVN Select Health Care Services, Inc. Cleveland, Texas
6/06 to Present	Unknown

6. At the time of the incidents in Finding of Fact Number Seven (7), Respondent was employed as a LVN with Select Health Care Services, Inc., Cleveland, Texas and had been in this position for three (3) months.

7. On or about March 15, 2006, through April 21, 2006, while employed as a LVN with Select Home Health Services, Inc., Cleveland, Texas, Respondent falsified documentation of skilled nurse visits to Patient Medical Record Number 02REIJ3205-2, in that the visits were not performed. The falsified documentation included assessments, patient signatures, and laboratory results for PT-INR. This laboratory test measures the ability of blood to form clots. The patient was on Coumadin, an anticoagulant medication that inhibits the formation of blood clots. The physician's orders were to obtain the PT-INR results every two (2) weeks so adjustments could be made to the Coumadin dose as needed. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient from failure to assess for changes in the medical status which could require nursing interventions. Further, Respondent provided the physician with false information on which to make medical decision regarding the dose of Coumadin, which could result in non-efficacious treatment, excessive bleeding, or death.
  
8. In response to the incidents in Finding of Fact Number Seven (7), Respondent states that she became fearful of going to the patient's home when he told her he shot at someone who tried to come in the window. Respondent states that the patient had the pistol in his hand, and stated he was not going to shoot her. Respondent left the home and reported the event to her supervisor and stated she could not make more visits there. The patient was later back on her schedule and she was told if she did not perform the visits it would be abandonment. Respondent saw the gun again. Respondent noted other falsified documentation at the facility and believes that is why it was easier for her to falsify the documentation. Respondent also wrote of her fear of guns due to prior domestic violence. The gun brought those fears back. At the time of the domestic violence, Respondent sought assistance and was diagnosed with Post Traumatic Stress Syndrome, was treated with anti-depressants. When the events occurred at Select Home Health Care, Services, Inc., Respondent could no longer afford therapy, but her anti-depressant was changed. She still sought council by calling a women's center. Respondent admits her actions were wrong and she no longer does nursing although she is still with home health.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
  
2. Notice was served in accordance with law.
  
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(A),(1)(B), (1)(D),(1)(P)&(2)(A) and 217.12(1)(A),(1)(B),(1)(C),(4)&(6)(A).
