BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 759256 §
issued to AMY LORETTE TURNER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AMY LORETTE TURNER, Registered Nurse License Number 759256, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 23, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Tyler Jr. College, Tyler, Texas, on May 9, 2008. Respondent was licensed to practice professional nursing in the State of Texas on July 29, 2008.
5. Respondent's nursing employment history includes:

5/2008 -6/2008	Unknown	
6/2008 - Present	RN	Good Shepherd Medical Center
	Emergency Room	Longview, Texas

6. At the time of the initial incident, Respondent was employed as an Emergency Room Nurse with Good Shepherd Medical Center, Longview, Texas, and had been in this position for one (1) year and eight (8) months.
7. On or about February 26, 2010 through February 27, 2010, while working as a RN at Good Shepherd Medical Center, Longview, Texas, Respondent exceeded her scope of practice when she administered intravenous fluids to her child, utilizing veterinarian supplies, without being evaluated by a physician and without a physician's order. Respondent's actions were in excess of her nursing scope of practice and placed her daughter in an unnecessary risk of harm.
8. In response to Finding of Fact number Seven (7), Respondent admits to administering intravenous fluids to her daughter without being evaluated by a physician in response to signs and symptoms of dehydration. Respondent's daughter was dehydrated from playing softball all day and had vomited at least three times. Respondent obtained veterinary medical supplies to include intravenous fluid, tubing, and a sterile needle from her mother, who runs a kennel for animals. Respondent administered the intravenous fluids, and her daughter rapidly regained her health. Respondent submits that she is an Emergency Room Nurse and her actions were analogous to that of an Emergency Room Nurse or paramedic first responder in the healthcare field, who often identify the symptoms of dehydration in an individual and begin intravenous fluids prior to that individual being evaluated by a physician. Respondent states her daughter rapidly regained her health and felt that seeing a doctor was unnecessary.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 759256, heretofore issued to AMY LORETTE TURNER, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
