FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.

4. Respondent received an Associates Degree in Nursing from Grayson County College, Denison, Texas on May 1, 2002. Respondent was licensed to practice professional nursing in the State of Texas on August 1, 2002.
5. Respondent's professional nursing employment history includes:

08/2003 to 07/2004	Staff RN	Palliative Hospice Center Sherman, Texas.
--------------------	----------	--

Respondent's professional nursing employment history continued:

07/2004 to 02/2007	Travel Nurse	TravMed USA Charlotte, North Carolina.
02/2007 to 04/2008	Not employed in nursing.	
04/2008 to 07/2009	Staff RN	Devon Gables Healthcare Tucson, Arizona.
07/2009 to Present	Home Health	Nursecore Tucson, Arizona.

6. On or about May 2008 through October 2009, Respondent failed to file an application for licensure by endorsement with the Arizona State Board of Nursing as required by the Nurse Licensure Compact.
7. At the time of the incident described in Findings of Fact Numbers Eight (8) and Ten (10), Respondent was employed as a Registered Nurse utilizing her multistate licensure compact privilege associated with her license to practice professional nursing in the State of Texas and employed with Devon Gables Healthcare, Tucson, Arizona, and had been in this position for one (1) year and three (3) months.
8. On or about July 5, 2009, while utilizing Respondent's multistate licensure compact privilege associated with her license to practice professional nursing in the State of Texas and employed with Devon Gables Healthcare, Tucson, Arizona, Respondent exhibited impaired behavior while on duty which included, but was not limited to having slurred speech, passing out, being disoriented, tearful and was difficult to redirect. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. In response to Finding of Fact Number Eight (8), Respondent states that her behavior was due to a medical condition for which she is under a doctor's care.
10. On or about July 5, 2009, while utilizing Respondent's multistate licensure compact privilege associated with her license to practice professional nursing in the State of Texas and employed with Devon Gables Healthcare, Tucson, Arizona, Respondent withdrew Ativan for residents but failed to document or accurately document the administration of the Ativan in the residents' medical records. Respondent's conduct above was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose.

11. In response to Finding of Fact Number Ten (10), Respondent states that she did withdraw the Ativan early in which to give at 1700, but was taught at this facility to pre-pour medications. In addition, Respondent states that none of the medications were missing and all were accounted for.
12. On or about December 13, 2009, Respondent submitted an electronic renewal application to the Board of Nurse Examiners for the State of Texas in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the following questions:

"Have you, within the past 24 months or since your last renewal, for any criminal offense, including those pending appeal:

- A. been convicted of a misdemeanor?
- H. been arrested or have any pending criminal charges?
- I. been cited or charged with any violation of the law?...."

Respondent was arrested for Driving While Under the Influence by the Tucson Police Department, Complaint No. B6818493, on November 23, 2008, fourteen (14) months prior to said renewal. Respondent pled Guilty in Tucson Municipal Court to Driving Under the Influence on July 28, 2009, Docket No. TR8128322, five (5) months prior to said renewal.

13. In response to Finding of Fact Number Twelve (12), Respondent states that the on-line Application indicated to mark "no" to anything that the board was already aware of. Respondent states that the Board was aware of her past charges.
14. On or about December 13, 2009, Respondent provided false and deceptive information on the application for renewal of her license to practice professional nursing in the State of Texas in that Respondent declared Texas as her home state after submitting an application to the Arizona State Board of Nursing for licensure by endorsement on October 28, 2009 which indicated that Arizona was her home state. Respondent's conduct was deceiving to the Board and may have affected their decision to license her.
15. In response to Finding of Fact Number Fourteen (14), Respondent states that she did declare Texas as her home state as she still owns a home in Texas and pays taxes there. Respondent states she was told by Arizona BON nurse investigator Nancy Twigg to apply for an Arizona license and declare Arizona as her home state since she has paid taxes in Arizona and possessed an Arizona driver's license. In addition, Respondent states she has returned to Texas and Oklahoma several times during 2004 to present to take time off work.
16. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
17. Charges were filed on April 9, 2010.

18. Charges were mailed to Respondent on April 13, 2010.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(2),(9),(10),(12)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(D). and 22 TEX. ADMIN. CODE §217.12(5),(6)(H)&(I).
