

BEFORE THE TEXAS BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

In the Matter of Registered Nurse § AGREED
License Number 731285 §
issued to GEORGE UCHENNA EZIGBO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of GEORGE UCHENNA EZIGBO, Registered Nurse License Number 731285, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 12, 2011, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Bishop Shanahan School of Nursing, Nsukka, Enugu, Nigeria on May 17, 1987. Respondent was licensed to practice professional nursing in the State of Texas on July 11, 2006
5. Respondent's professional nursing employment history includes:

08/06 - Unknown	RN	Quest Home Health, Inc. Colleyville, Texas
-----------------	----	---

Respondent's professional nursing employment history continued:

08/08 - Unknown	RN	Fort Worth Manor Fort Worth, Texas
07/06 - 08/09	RN	Kindred Hospital Fort Worth, Texas
09/09 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a charge nurse with Kindred Hospital of Fort Worth, Fort Worth, Texas, and had been in this position for three (3) years and one (1) month.
7. On or about August 6, 2009, while employed as the charge nurse with Kindred Hospital of Fort Worth, Fort Worth, Texas, Respondent improperly inserted a rectal enema into Patient Medical Record Number DY00020141 in that he failed to remove the protective cap prior to insertion. The cap was later discovered in the upper sigmoid colon. Respondent's conduct exposed the patient to risk of harm and medical complications.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states:

"Please note that I primed this tube prior to insertion and the enema solution came through. I lubricated the end of this tubing (with cap snugly on the tube) and I inserted 4 cm into the rectum with patient in her left lateral position. All the enema solution went into the rectum, and I removed the tubing and the enema return ensued almost simultaneously leaving no time for me to verify the status of the tube, as I took my client to the bathroom. At this point, the morning nurse, Tim, who took over from me was waiting. I handed over to him orally that the patient was in the bathroom, and that he should help wrap the procedure up.

In hindsight, I think this tube could have come with a manufacturers defect. I strongly believe that if the cap is not snugly fitted, it should have fallen off when I primed it, but it could've gotten stuck in the rectal folds as I pulled the tube back after giving the enema."

CONCLUSIONS OF LAW

2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A)&(C) and 217.12(1)(A)&(4).
