6. At the time of the initial incident, Respondent was employed as a licensed vocational nurse with Comanche County Medical Center, Comanche, Texas, and had been in this position for nine (9) months.
7. On or about February 3, 2009, while employed with Comanche County Medical Center, Comanche, Texas, Respondent documented in error, ahead of time, that she administered a respiratory treatment to Patient Medical Record Number 253946 on the patient's respiratory nursing sheet. When the patient refused the respiratory treatment, Respondent failed to revise her earlier documentation on the patient's respiratory nursing sheet. Respondent's conduct created an inaccurate medical record and was likely to injure the resident in that subsequent care givers would rely on her documentation on which to base their decisions for further medical care.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the patient refused his breathing treatment and she forgot to circle it to show it was not given.
