Executive Director of the Board

**NUNC PRO TUNC ORDER OF THE BOARD**

TO: Jeremy Bascom Wansley  
1030 Old Omen Rd, #C202  
Tyler, TX 75701

During open meeting held in Austin, Texas, the Texas Board of Nursing (Board) finds that an Agreed Order of the Board was mistakenly ratified and entered for Jeremy Wansley. The Order contained incorrect terms and conditions regarding the supervised practice of Mr. Wansley. Upon notice and hearing, administrative agencies, like the Courts, have the power to enter nunc pro tunc orders where it can be seen by reference to a record that what was intended to be entered, but was omitted by inadvertence or mistake, can be corrected upon satisfactory proof of its rendition provided that no intervening rights will be prejudiced. *Railroad Comm'n v. McClain*, 356 S.W.2d 330, 334 (Tex. App.--Austin 1962, no writ) (citing *Frankfort Ky. Nat. Gas Co. v. City of Frankfort*, 276 Ky. 199, 123 S.W.2d 270, 272).

The Executive Director, as agent of the Texas Board of Nursing, after review and due consideration of the record and the facts therein, invalidates the Agreed Order of the Board for Jeremy Wansley that is dated November 9, 2010, and submits and enters the corrected Agreed Order of the Board, which contains the correct terms and conditions regarding the supervised practice of Mr. Wansley. No other changes to the Order have been made. Mr. Wansley has been notified of these changes. Further, Mr. Wansley received due process regarding his license; therefore, his rights have not been prejudiced.

NOW, THEREFORE, IT IS ORDERED that the corrected Agreed Order of the Board is hereby approved and entered on the dates set forth below.

Order effective November 9, 2010.

Entered this 6th day of December, 2010.

A Board representative may appear at the RESPONDENT'S place of employment at any time during the probation period and require RESPONDENT to produce a specimen for screening.

All screens shall be properly monitored and produced in accordance with the Board's policy on Random Drug Testing. A complete chain of custody shall be maintained for each specimen obtained and analyzed. RESPONDENT SHALL be responsible for the costs of all random drug screening during the probation period.

Any positive result for which the nurse does not have a valid prescription or failure to report for a drug screen, which may be considered the same as a positive result, will be regarded as non-compliance with the terms of this Order and may subject the nurse to further disciplinary action including EMERGENCY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas.

RESPONDENT SHALL provide acceptable evidence of attendance. Acceptable evidence shall consist of a written record of at least: the date of each meeting; the name of each group attended; and the signature and printed name of the chairperson of each group attended by RESPONDENT. RESPONDENT SHALL submit the required evidence on the forms provided by the Board at the end

of every three (3) month period. No duplications, copies, third party signatures, or any other substitutions will be accepted as evidence.

(14) RESPONDENT SHALL participate in pain management therapy with a Board approved Medical Doctor or Doctor of Osteopathy, licensed by the Texas Medical Board, and certified as a Diplomat with the American Board of Pain Medicine. RESPONDENT SHALL CAUSE the physician to submit written reports to the Board, which shall include, at a minimum, the clinical indications and rationale for the chronic use of controlled substances, RESPONDENT'S progress and compliance with pain management therapy, and a prognosis as to RESPONDENT'S ability to safely practice nursing in a direct patient care setting. Such reports are to be furnished each and every month for three (3) months. If therapy is recommended for beyond three (3) months, the reports shall then be required at the end of each three (3) month period for the duration of the probation period, or until RESPONDENT no longer requires the use of controlled substances.

IT IS FURTHER AGREED and ORDERED that if during the period of probation, an additional allegation, accusation, or petition is reported or filed against the Respondent's license(s), the probationary period shall not expire and shall automatically be extended until the allegation, accusation, or petition has been acted upon by the Board.

IT IS FURTHER AGREED, that upon full compliance with the terms of this Order, all encumbrances will be removed from RESPONDENT'S license(s) to practice nursing in the State of Texas and RESPONDENT shall be eligible for nurse licensure compact privileges, if any.
