BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 216757 §
issued to TARRIE ZIENTEK § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TARRIE ZIENTEK, Vocational Nurse License Number 216757, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on September 24, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Temple College, Taylor, Texas, on May 10, 2008. Respondent was licensed to practice vocational nursing in the State of Texas on July 15, 2008.
5. Respondent's nursing employment history includes:

5/2008 - 4/09	Unknown	
5/09 - Present	Staff Nurse	Wesleyan At Scenic Nursing Home Georgetown, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Wesleyan At Scenic Nursing Home, Georgetown, Texas, and had been in this position for seven (7) months.
7. On or about December 17, 2009, while working as a Staff Nurse at Wesleyan At Scenic Nursing Home, Georgetown, Texas, Respondent administered 35 Units of 70/30 Insulin in error to Resident Number 09-018, who was not receiving Insulin and had no physician's order for Insulin. Respondent administered the Insulin without first checking the resident's identity, and the resident was admitted to the hospital for 24 hours observation after Respondent realized that she made a medication error. Respondent's conduct unnecessarily exposed the resident to the risk of injury, which resulted in being transferred to a higher level of care.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent admits to administering Insulin to the resident without a physician's order. Respondent states that she checked a resident's blood sugar, went to the nurse's station, obtained the Insulin, and went back to the resident's room to administer the Insulin. The Certified Nurse Aide (CNA) was assisting the resident's room-mate to the toilet, and Respondent indicates that she administered the Insulin to the resident's room-mate in error. Respondent states that she knew immediately she had made a medication error, that she had the resident drink orange juice, and that she immediately notified the physician of the medication error.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(C) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4.
