BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse License Number 592193 § AGREED
& Vocational Nurse License Number 126900 §
issued to ANNAMMA KOVOOR PUNNOOSE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANNAMMA KOVOOR PUNNOOSE, Registered Nurse License Number 592193 and Vocational Nurse License Number 126900, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(12), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on September 13, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is in delinquent status.
4. Respondent received a Diploma in Nursing from India on March 1, 1976. Respondent was licensed to practice vocational nursing in the State of Texas on December 7, 1989 and professional nursing in the State of Texas on July 15, 1993.

5. Respondent's vocational and professional nursing employment history includes:

12/1989 - 1991	LVN	Garland Community Hospital Garland, Texas
1991 - 2003	RN	Garland Community Hospital
1989 - 1993	LVN	Presbyterian Hospital-Dallas Dallas, Texas
1993 - 2010	RN	Presbyterian Hospital-Dallas Dallas, Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Texas Health Presbyterian Hospital-Dallas, Dallas, Texas, and had been in this position for twenty-one (21) years.

7. On or about March 18, 2010, while employed as a Registered Nurse with Texas Health Presbyterian Hospital-Dallas, Dallas, Texas, Respondent lacked fitness to practice professional nursing, in that while on duty she was angry, disruptive, and aggressive. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.

8. In response to Finding of Fact Number Seven (7), Respondent states: "After an incident with a co-worker, I called my manager and explained the incident to her, and told her that if she didn't handle the matter I would go to HR because I was not going to let the co-worker harass me. She didn't respond to me for three days, so I went to HR and reported the incident. The next day I went to my managers office and asked for help with the situation and stated that I didn't want to become unhappy to the point of depression again because of unnecessary job stress/co-worker inappropriate behavior towards me. She didn't handle this well. I was sent to HR thirty minutes later for a drug screen and they had me visit three psychiatrists, for depression and bipolar screening, saying that I was not fit to work. I was off of work for two months due to difficulty complying with the requests. After I was cleared by the doctor, my manager continued to give me a hard time in hopes that I would quit."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(12), Texas Occupations Code, and 22 Tex. Admin. Code §217.12(1)(A),(E),(4),(5)&(10)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 592193 and Vocational Nurse License Number 126900, heretofore issued to ANNAMMA KOVOOR PUNNOOSE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
