In the Matter of Licensed Vocational Nurse	§	AGREED
License Number 167414	§	
issued to RENE LUIS RAMOS	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of RENE LUIS RAMOS, Vocational Nurse License Number 167414, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 5, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.

2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.

3. Respondent is currently licensed to practice vocational nursing in the State of Texas.

4. Respondent received a Certificate in Nursing from Fort Sam Houston, Army Practical Nurse Course, Fort Sam Houston, Texas, on January 31, 1997. Respondent was licensed to practice vocational nursing in the State of Texas on May 6, 1998.

5. Respondent's complete vocational nursing employment history is unknown.

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Advantage Nursing Srvices, Inc, Metairie, Louisiana, and assigned to Southwest General Hospital, San Antonio, Texas, and had been in this position for one (1) day.

7. On or about April 11, 2008, through July 15, 2008, while employed as a Licensed Vocational Nurse with Advantage Nursing Services, Inc., Metairie, Louisiana, and assigned to

7. On or about April 11, 2008, through July 15, 2008, while employed as a Licensed Vocational Nurse with Advantage Nursing Services, Inc., Metairie, Louisiana, and assigned to Southwest General Hospital, San Antonio, Texas, Respondent withdrew Morphine, Xanax, Hydrocodone, Vicodin, Lyrica, and Lortab from the Medication Dispensing System (Pyxis) for patients that were not under his care. Respondent's conduct was likely to injure the patient in that the administration of medications in excess frequency and/or dosage of the physician's order could result in the patient suffering from adverse reactions.

8. On or about April 11, 2008, through July 15, 2008, while employed as a Licensed Vocational Nurse with Advantage Nursing Services, Inc., Metairie, Louisiana, and assigned to Southwest General Hospital, San Antonio, Texas, Respondent withdrew Morphine, Xanax, Hydrocodone, Vicodin, Lyrica, and Lortab from the Medication Dispensing System (Pyxis) for patients, but failed to document, or accurately document the administration of the medications in the patients' Medication Administration Records and/or nurse's notes. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on his documentation to further medicate the patient which could result in an overdose.

9. On or about April 11, 2008, through July 15, 2008, while employed as a Licensed Vocational Nurse with Advantage Nursing Services, Inc., Metairie, Louisiana, and assigned to Southwest General Hospital, San Antonio, Texas, Respondent withdrew Morphine, Xanax, Hydrocodone, Vicodin, Lyrica, and Lortab from the Medication Dispensing System (Pyxis) for patients, but failed to follow the facility's policy and procedures for wastage of any of the unused portions of the medications. Respondent's conduct was likely to deceive the hospital pharmacy and place them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).

10. On or about April 11, 2008, through July 15, 2008, while employed as a Licensed Vocational Nurse with Advantage Nursing Services, Inc., Metairie, Louisiana, and assigned to Southwest General Hospital, San Antonio, Texas, Respondent misappropriated Morphine, Xanax, Hydrocodone, Vicodin, Lyrica, and Lortab from the facility and patients thereof, or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.

11. In response to Finding of Fact Number Seven (7), Respondent states that it is not un-common to pull meds for patients not directly under his care. In every facility that he has worked it seems that there is a struggle to get all nurses away from the mind set that they are only to assist patients in which we are assigned to. Respondent, additionally states that he has always tried to be a team player and not one of those nurses that practices from the desk. Respondent states that he has, many times over the years would be an understatement, given medication to patients not assigned to him, and that he has never thought twice about helping the nurses he works with nor the patients he cares for, assigned or un-assigned.

12. In response to Finding of Fact Number Eight (8), Respondent states that he does not have a good reason and he will not attempt an excuse. He states that many times he is in a rush, gives the medication, and before documenting, goes on to the next call light or med pass.

13. In response to Finding of Fact Number Nine (9), Respondent states that there is not always another nurse around to witness a waste.

14. In response to Finding of Fact Number Ten (10), Respondent states that somewhere down the line he has obviously lost focus on proper rules, regulations, and standards of certain nursing guidelines and if it was up to him he would be working somewhere where he would not have access to patient medications, treatment or any kind of hands on patient care.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violations of Section 301.452(b) (10)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11 (1)(C)&(D), and 22 TEX. ADMIN. CODE §217.12 (1)(A)&(C),(4),(6)(G)&(10),(B)&(C)&(11)(B).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 167414, heretofore issued to RENE LUIS RAMOS, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
