6. On or about October 13, 2008, Respondent was issued an Agreed Order by the Texas Board of Nursing, Austin, Texas. A copy of the Findings of Fact, Conclusions of Law and Order, dated October 13, 2008, are attached and incorporated, by reference, as part of this order.
7. On or about April 23, 2009, Respondent became non-compliant with the Agreed Order issued to him by the Texas Board of Nursing on October 13, 2008. Non-compliance is the result of his failure to enroll in a residential treatment program as required by the Texas Peer Assistance Program for Nurses (TPAPN). Stipulation number three (3) of the Agreed Order dated October 13, 2008, states:

"RESPONDENT SHALL comply with all the requirements of the TPAPN participation agreement during its term and SHALL keep his license to practice nursing in the State of Texas current."

8. In response to Finding of Fact Number Seven (7), Respondent states:

"When my license was stipulated in October 2008, I had been unemployed for two months and only recently began working again.

I explained this to my case worker, but she was either unable or unwilling to find a financial solution I could afford. I was able to pay the \$350 fine in Jan. 2009, and began out-patient treatment in Feb. 2009, however the monthly testing fees and mileage costs became overwhelming. Because of financial restrictions, I was unable to attend the almost daily meetings at the Freeman Center located 36 miles from my home. The Freeman Center then reported me non-compliant to TPAPN and without having any personal knowledge of my circumstances, it was ordered I enroll in an in-patient treatment program.

Inpatient treatment would have hindered my ability to find gainful employment as well as housing difficulties. I am employed now in a non-nursing position and can meet the financial requirements of the program I was able to then."

9. Respondent, by his signature to this Order, expresses his desire to voluntarily surrender his license(s) to practice nursing in the State of Texas.
10. The Board policy implementing Rule 213.29 in effect on the date of this Agreed Order provides discretion by the Executive Director for consideration of conditional reinstatement after proof of twelve (12) consecutive months of abstinence from alcohol and drugs followed by licensure limitations/stipulations and/or peer assistance program participation.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.12(9)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.453(a), Texas Occupations Code, to take disciplinary action against License Number 172158, heretofore issued to JASON JOEL SPENRATH, including revocation of Respondent's license(s) to practice nursing in the State of Texas.

5. Under Section 301.453(c), Texas Occupations Code, the Board has the authority to accept the voluntary surrender of a license.
6. Under Section 301.453(d), Texas Occupations Code, as amended, the Board may impose conditions for reinstatement of licensure.
7. Any subsequent reinstatement of this license will be controlled by Section 301.453(d), Texas Occupations Code, and 22 TEX. ADMIN. CODE §213.26-.29, and any amendments thereof in effect at the time of the reinstatement.

ORDER

NOW, THEREFORE, IT IS AGREED and ORDERED that the VOLUNTARY SURRENDER of Vocational License Number 172158, heretofore issued to JASON JOEL SPENRATH, to practice nursing in the State of Texas, is accepted by the Texas Board of Nursing.

In connection with this acceptance, the Board imposes the following conditions:

1. RESPONDENT SHALL NOT practice vocational nursing, use the title "vocational nurse" or the abbreviation "LVN" or wear any insignia identifying himself as a vocational nurse or use any designation which, directly or indirectly, would lead any person to believe that RESPONDENT is a vocational nurse during the period in which the license is surrendered.
2. RESPONDENT SHALL NOT petition for reinstatement of licensure until: one (1) year has elapsed from the date of this Order; and, RESPONDENT has obtained objective, verifiable proof of twelve (12) consecutive months of sobriety immediately preceding the petition.

4. Respondent received a Certificate in Vocational Nursing from Hill Junior College, Hillsboro, Texas, on May 14, 1999. Respondent was licensed to practice vocational nursing in the State of Texas on June 24, 1999.
5. Respondent's vocational nursing employment history includes:

1999 - 2000	LVN	Goodall-Witcher Healthcare Foundation Clifton, Texas
-------------	-----	---

Respondent's vocational nursing employment history continued:

2000 - 2001	LVN	Lake Whitney Medical Center Whitney, Texas
2001 - 2003	LVN	Integrated Health Services of Arlington Arlington, Texas

2007 - present	unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Harris Methodist HEB Hospital, Bedford, Texas, and had been in this position for approximately two (2) years.
7. On or about July 16, 2006, July 22, 2006 and July 23, 2006, while employed with Harris Methodist HEB Hospital, Bedford, Texas, Respondent removed Morphine and Zofran from the Pyxis medication dispensing system for patients, but failed to accurately and/or completely document its administration in the patient's medical record and/or nurse's notes, as follows:

Date	Patient MR#	Physician's Order	Medication Dispensing System Record Time and Quantity	Medication Administration Record	Nurses Notes

7-23-06	368398	Morphine 10 mg	Morphine Sulfate 10mg 0404 (1)	No Entry	0315 - medicated per Dr. orders

Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patients which could result in an overdose and placed the hospital in violation of Chapters 481 (Controlled Substances Act) and 483 (Dangerous Drugs Act) of the Texas Health and Safety Code.

8. On or about July 16, 2006, July 22, 2006 and July 23, 2006, while employed with Harris Methodist HEB Hospital, Bedford, Texas, Respondent removed Morphine and Zofran from the Pyxis medication dispensing system for patients, but failed to follow facility policy and procedure regarding the proper wastage of the unused portions of the medications, as follows:

Date	Patient MR#	Physician's Order	Medication Dispensing System Record Time and Quantity	Medication Administration Record	Nurses Notes	Wastage
7-16-06	433082	Morphine 4mg IV x 4 prn cont. pain	Morphine Sulfate 10mg 0404 (1)	No Entry	No Entry	Not Documented

7-23-06	183727	Zofran 4mg IV	Ondansetron Hcl 4mg 0209 (1)	No Entry	No Entry	Not Documented
7-23-06	368398	Morphine 10 mg	Morphine Sulfate 10mg 0404 (1)	No Entry	0315 - medicated per Dr. orders	Not Documented

Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapters 481 (Controlled Substances Act) and 483 (Dangerous Drugs Act) of the Texas Health and Safety Code of the Texas Health and Safety Code.

9. On or about July 22, 2006, while employed with Harris Methodist HEB Hospital, Bedford, Texas, Respondent removed Morphine Sulfate from the Pyxis medication dispensing system for Patient Medical Record Number 439478, without a valid physician's order, as follows:

Date	Patient MR#	Physician's Order	Medication Dispensing System Record Time and Quantity	Medication Administration Record	Nurses Notes
7-22-06	439478	No Order	Morphine Sulfate 2mg 2354 (1)	No Entry	No Entry
7-22-06	439478	No Order	Morphine Sulfate 4mg 2354 (1)	No Entry	No Entry

Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that the administration of Morphine without a physician's order could result in the patient suffering from adverse reactions.

10. On or about July 16, 2006, July 22, 2006 and July 23, 2006, while employed with Harris Methodist HEB Hospital, Bedford, Texas, Respondent misappropriated, or failed to take precautions to prevent such misappropriation of, Morphine and Zofran from the facility and patients thereof. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
11. On or about April 30, 2007, while employed with Visiting Nurse Association Home Health Care, Dallas, Texas, Respondent engaged in the intemperate use of Cocaine in that he produced a specimen for a random drug screen which resulted positive for Cocaine. Possession of Cocaine is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Cocaine by a Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's conditions, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
12. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
14. Respondent's conduct described in Finding of Fact Numbers Seven (7) to Eleven (11) resulted from Respondent's impairment by dependency on chemicals.

15. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9),(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(C)&(1)(D) and 217.12(1)(A),(4),(5),(6)(G),(10)(A),(10)(B),(10)(C),(10)(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 172158, heretofore issued to JASON JOEL SPENRATH, including revocation of Respondent's license to practice nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
