

5. Respondent's vocational nursing employment history includes:

5/06 - present

LVN

Health South Rehabilitation  
Hospital of Beaumont  
Beaumont, Texas

6. On April 20, 2006, Respondent was issued an Order of Conditional Eligibility by the Board of Nurse Examiners for the State of Texas. A copy of the April 20, 2006, Order of Conditional Eligibility, Findings of Fact and Conclusions of Law is attached and incorporated, by reference, as part of this Order.

7. On or about September 15, 2006 and October 16, 2006, Respondent failed to comply with the Order issued to him on April 20, 2006, by the Board of Nurse Examiners for the State of Texas. Non-compliance is the result of his failure to comply with Stipulation Number Eight (8) of the Order which states, in pertinent part:

(8) Petitioner shall submit to random periodic screens for controlled substances, tramadol hydrochloride (Ultram), and alcohol....

8. On or about October 26, 2006, while employed with Health South Rehabilitation Hospital of Beaumont, Beaumont, Texas, Respondent engaged in the intemperate use of Opiates in that he produced a specimen for a drug screen which resulted positive for Opiates (Hydromorphone). Possession of Opiates (Hydromorphone) is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Opiates (Hydromorphone) by a Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

9. On April 18, 2007, Respondent presented to Joyce M. Gayles, Ph.D., Clinical Psychologist, Transformation Works, Bellaire, Texas, to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph examination. Dr. Gayles states that Respondent has serious, long standing problems with anxiety and depression. He is abusing prescription drugs and is classifiable as drug dependent. His drinking is also alcoholic. Dr. Gayles states that Respondent is not currently able to fulfill the duties and responsibilities, and engage in conduct that is required of a nurse. Respondent would likely continue to engage in unprofessional conduct with regard to drugs and alcohol. Dr. Gayles states that Respondent is in need of drug and alcohol rehabilitation and treatment.

10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

In the Matter of	§	
MATTHEW ALAN ARNAUD	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Application for Licensure by Examination and supporting documents filed by MATTHEW ALAN ARNAUD, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation, notice, and hearing, and agreed to the entry of this Order offered on February 21, 2006, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about September 21, 2005, Petitioner submitted an Application for Initial Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner received a Certificate in Vocational Nursing from Lamar State College, Port Arthur, Texas, in December 2005.
4. Petitioner completed the Application for Initial Licensure by Examination and answered "yes" to the question which reads as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest? This includes expunged offenses and deferred adjudications with or without prejudice of guilt."*

5. Petitioner disclosed the following criminal history, to wit:

On October 31, 2000, Petitioner was charged with the offense "Disorderly Conduct-Language," a Misdemeanor, in the Beaumont, Texas, Municipal Court. Petitioner plead guilty and was assessed a fine in the amount of one hundred fifty-one dollars and twenty-five cents (\$151.25).

On May 22, 2001, Petitioner was charged with the offense of "Public Intoxication," a Misdemeanor, in Beaumont, Texas, Municipal Court. Petitioner plead guilty and was assessed a fine in the amount of one hundred dollars (\$100.00).

On November 20, 2003, Petitioner was charged with the offense of "Disorderly Conduct-Language," a Misdemeanor, in Beaumont, Texas, Municipal Court. Petitioner plead guilty and was assessed a fine in the amount of one hundred fifty-two dollars (\$152.00).

On November 20, 2003, Petitioner was charged with the offense of "Public Intoxication," a Misdemeanor, in Beaumont, Texas, Municipal Court. Petitioner plead guilty and was assessed a fine in the amount of one hundred twenty-seven dollars (\$127.00).

6. There is no evidence of any subsequent criminal conduct.

7. On February 2, 2006, Petitioner was seen by Dr. Ted W. Krell, M.D., to undergo an evaluation by an addictionologist. Petitioner reported to Dr. Krell that in his opinion he did overuse alcohol and use it abusively from 2000 through 2003, and that he "partied" too much. Petitioner reported that during that time frame he was using alcohol frequently and to the point of intoxication. Petitioner denied usage of any other agents, either prescribed or non-prescribed. Petitioner stated that he currently uses alcohol perhaps once a week; however, he denies current use of alcohol to the point of becoming intoxicated. Dr. Krell concluded by stating that he informed Petitioner that he is certainly at risk of developing a form of substance abuse disorder and Petitioner would be very wise to not use alcohol in any form. At the time of the evaluation, Dr. Krell stated that he does not have sufficient evidence to make a diagnosis of a Substance Abuse Disorder.

8. The Board received letters of support/recommendation for Petitioner from the following:

- A letter of reference dated August 25, 2005, was submitted to the Board on behalf of Petitioner by Tiffany Campbell, RN, Vocational Nursing Instructor, Lamar State College, Port Arthur, Texas.
- A letter of reference dated August 30, 2005, was submitted to the Board on behalf of Petitioner by Cynthia Arceneaux, RN, Basic Nursing Instructor, Lamar State College, Port Arthur, Texas.

9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.

10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
12. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
13. On or about February 21, 2006, Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

#### CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
