In the Matter of Registered Nurse           §     AGREED  
License Number 590550                       §  
issued to ROSE OBIAGELI UCHENDU       §     ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board produced evidence indicating that ROSE OBIAGELI UCHENDU, Registered Nurse License Number 590550, hereinafter referred to as Respondent, may have violated Section 301.452 (b)(10)&(13), Texas Occupations Code.

An informal conference was held on September 7, 2010, at the office of the Texas Board of Nursing, in accordance with Section 301.464, Texas Occupations Code.

Respondent appeared in person. Respondent was notified of her right to be represented by legal counsel. Respondent was represented by Ronald P. Wright, Attorney at Law. In attendance were Mary Beth Thomas, Ph.D, RN, Executive Director's Designee; Jena Abel, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; and Nancy Krause, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.

4. Respondent received a Baccalaureate Degree in Nursing from The City College of New York, New York, on May 1, 1992. Respondent was licensed to practice professional nursing in the State of Texas on April 5, 1993.

5. Respondent's nursing employment history includes:

11/1992 - 6/1996	Staff/Charge Nurse	Brooke Army Medical Center Fort Sam Houston, Texas
6/1996 - 6/2000	Assistant Head Nurse	Army Community Hospital Heidelberg, Germany
7/2000 - 8/2000	Unknown	
9/2000 - 9/2003	Charge Nurse	Eisenhower Army Medical Center Fort Gordon, Georgia
10/2003 - 1/2004	Unknown	
2/2004 - 2/2006	Charge Nurse	Washington Hospital Center Washington, D.C.

6. At the time of the incidents in Finding of Fact Number Seven (7) and Finding of Fact Number Eight (8), Respondent was employed as a Staff Nurse with Children's Medical Center, Dallas, Texas, and had been in this position for four (4) months.

7. On or about March 26, 2009, while employed as a Staff Nurse with Children's Medical Center, Dallas, Texas and assigned to Patient MR#1530359, Respondent failed to clarify the physician's order for a Direct Fluorescent Assay (DFA) test and inappropriately instructed the unit secretary to order a Viral Cytomegalovirus (CMV) DFA test, instead of an Respiratory Syncytial Virus (RSV) DFA test. Patient MR#1530359 had a cold and the physician ordered an RSV DFA test to assure the patient could be cleared for a surgical procedure. Respondent's conduct deprived the physician of timely and essential information to base ongoing medical care.
8. On or about March 26 2009, while employed as a Staff Nurse with Children's Medical Center, Dallas, Texas, and assigned to patient MR# 150359, Respondent failed to document the administration of an Albuterol breathing treatment. Respondent's conduct resulted in an inaccurate and incomplete medical record on which care givers would rely upon to provide further medical care.
9. In response to the incident in Finding of Fact Number Seven (7), Respondent states she reminded the physician to write the orders for the nebulizer treatment and the test, and when she took the chart to the unit secretary, the secretary questioned which lab test was ordered. Respondent reports she told the unit secretary to page the physician and clarify the order. Respondent states that the physician did not call back and the next day Respondent received a verbal counseling for not clarifying the order. Respondent asserts she did not instruct the unit secretary to order a Viral CMV DFA test.
10. In response to the incident in Finding of Fact Number Eight (8), Respondent states she did not note the time or initial the treatment, but asserts that she did document the administration of the treatment on the pre-op checklist.
11. At the time of the incident in Finding of Fact Number Twelve (12), Respondent was employed as a Staff Nurse with Children's Medical Center, Dallas, Texas, and had been in this position for six (6) months.
12. On or about May 22, 2009, while employed as a Staff Nurse with Children's Medical Center of Dallas, Dallas, Texas, and assigned to Patient MR#3047707, Respondent failed to assess and document the patient's pulses and Aldrete Score before discharging the patient. Respondent's conduct deprived the patient of timely detection and medical intervention in the event the patient experienced a change in condition. Additionally, Respondent's conduct resulted in an incomplete medical record, which subsequent caregivers would rely on to provide ongoing medical care.
13. In response to the incident in Finding of Fact Number Twelve (12), Respondent states she did fail to document the pulses and Aldrete Score before discharging the patient.
