BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 687385 §
issued to GLENDA CHINELO UGHANZE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of GLENDA CHINELO UGHANZE, Registered Nurse License Number 687385, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 1, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Women's University, Denton, Texas, on May 11, 2002. Respondent was licensed to practice professional nursing in the State of Texas on July 2, 2002.
5. Respondent's nursing employment history includes:

7/2002 - 5/2006	Staff Nurse	The Methodist Hospital Houston, Texas
-----------------	-------------	--

12/2005 - 4/2007	Staff Nurse	Intelistaf Houston, Texas
2/2007 - Present	Staff Nurse	All About Staffing Houston, Texas
4/2008 - Present	Staff Nurse	Premier Houston, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with All About Staffing and assigned to Clear Lake Regional Medical Center, Webster, Texas, and had been in this position for one (1) year and two (2) months.
7. On or about May 19, 2008, while employed with All About Staffing and assigned to Clear Lake Regional Medical Center, Webster, Texas, Respondent failed to notify the appropriate supervisor when she left her assignment in the Intensive Care Unit holding area of the Emergency Department. Respondent's conduct deprived the patient of nursing observation and immediate assistance which could have resulted in delayed assessment and nursing interventions to stabilize the patient and/or prevent complications.
8. Respondent admits the allegation stating that the nurse supervisor was not around to be notified and she needed to get a break before the next admission arrived.
9. On or about May 19, 2008, while employed with All About Staffing and assigned to Clear Lake Regional Medical Center, Webster, Texas, Respondent failed to provide a safe environment for Patient MR#570518, when she left on break and did not turn over responsibility for the patient's care to another nurse. Respondent's conduct deprived nursing staff of necessary information required to provide safe and effective nursing care to the patient, and could have resulted in delayed nursing assessment and interventions that could have been required to provide safe and effective patient care.
10. Respondent admits she did not give report to another nurse but states the patient was stable and had a call light within reach, as well as connected to the Intensive Care Unit Electrocardiogram monitor, which was visible at the nurses station. Respondent states she left the patient with eyesight of nursing staff who would be able to assist the patient if required.
