I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.  
*Katherine A. Thomas*  
Executive Director of the Board

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of DEBORAH SUE HARBIN, Registered Nurse License Number 2552 hereinafter referred to as Respondent.

\*\*\*\*\*

In the Matter of Registered Nurse License Number 255291 §     AGREED  
issued to DEBORAH SUE HARBIN                                     §     ORDER

An investigation by the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, produced evidence indicating that DEBORAH SUE HARBIN, hereinafter referred to as Respondent, Registered Nurse License Number 255291, may have violated Section 301.452(b)(10)&(13), Texas Occupations Code.

An informal conference was held on October 26, 2006, at the office of the Board of Nurse Examiners, in accordance with Section 301.464 of the Texas Occupations Code.

Joy Sparks, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Peggy Penn, RN, M.Ed., Nurse Consultant; Mary Lynn Adams, RN, BSN, Investigator; and Kim L. Williamson, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Odessa College, Odessa, Texas, on May 1, 1981. Respondent was licensed to practice professional nursing in the State of Texas on September 8, 1981.

5. Respondent's professional nursing employment history includes:

9/81 to 8/85	RN, Charge Nurse Midland Memorial Hospital Midland, Texas
8/85 to 4/87	RN, Charge Nurse Methodist Hospital Lubbock, Texas
5/87 to 8/87	Unknown

Respondent's professional nursing employment history continued:

Unknown to 2005	RN St. Luke's Hospital Houston, Texas
10/05 to 12/05	RN Methodist Healthcare System Houston, Texas
11/05 to 10/1/06	Unknown
10/2/06 to Present	RN, Field Nurse, as needed Heartland Home Health Houston, Texas
10/25/06 to Present	RN Omni Home Care Houston, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Cypress Fairbanks Medical Center, Houston, Texas, and had been in this position for one (1) month.
7. On or about November 4, 2004, while employed with Cypress Fairbanks Medical Center, Houston, Texas, Respondent failed to timely administer the 10:00 a.m. dose of intravenous Cipro, an antibiotic, to Patient Medical Record Number 000385486. Respondent also failed to notify her supervisor that the medication was not administered prior to Respondent leaving the unit. Respondent administered the Cipro late, at 11:00 a.m., but failed to document the reason for the delay administering the medication. Respondent's conduct was likely to injure the patient from non-efficacious treatment in that subsequent caregivers would have relied on her documentation while providing further care to the patient.
8. On or about November 5, 2004, while employed with Cypress Fairbanks Medical Center, Houston, Texas, Respondent left the unit and her assigned patients, and went to her car without notifying her supervisor. Respondent's conduct was likely to injure patients from failure of their assigned nurse being readily available to provide nursing care and interventions as needed and as ordered.
9. On or about November 19, 2004, while employed with Cypress Fairbanks Medical Center, Houston, Texas, Respondent failed to notify her supervisor when she again left the unit. There was a "Code Blue" in progress at the time, and although the patient involved was not assigned to Respondent's care, Respondent was responsible for monitoring the patients of those nurses involved in the "Code Blue." Respondent's conduct was likely to injure patients in that nursing care and/or other interventions might not have been available when needed.

10. On or about October 2006, Respondent submitted a resume to be considered to gain employment with Heartland Home Health, Houston, Texas, and with Omni Home Care, Houston, Texas. However, the resume Respondent submitted did not include employment history for the following:
  - Cypress Fairbanks Medical Center, Houston, Texas; and
  - St. Luke's Hospital, Houston, Texas.Respondent admitted that she did not want to include Cypress Fairbanks Medical Center, Houston, Texas; as she was concerned that they would not provide a positive evaluation of her employment. Respondent's conduct was deceptive and may have influenced the facilities' decisions regarding her employment as a nurse.
11. In response to the event in Finding of Fact Number Seven (7), Respondent states there was a reason that she did not administer the Cipro at 10:00 and it was her usual practice to document the reasons that medications are not administered when due; however, in this case, she did not document the reasons for the delay. In response to the event in Finding of Fact Number Eight (8), Respondent admits she was off the unit for too long of a time; however, Respondent was experiencing family discord at the time. In response to the incident in Finding of Fact Number Nine (9), Respondent states she remained at the desk during the "Code Blue" and stayed on the unit until the physician arrived to pronounce the patient deceased. In response to the incident in Finding of Fact Number Ten (10), Respondent states that she did not know she had to list all employers.
12. Per Ms. Sowell, Attorney for Respondent, "The Board finds that there were mitigating factors associated with the facts and conduct in this matter. Respondent was experiencing family discord and conflict with same now having been resolved."

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(D)&(1)(I) and 217.12(1)(A)&(6)(H).
