In the Matter of Vocational Nurse           §     AGREED  
License Number 188381                       §  
issued to ANGLIA MARIE LAZARD           §     ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANGLIA MARIE LAZARD, Vocational Nurse License Number 188381, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 11, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Lamar University, Port Arthur, Texas, on August 16, 2002. Respondent was licensed to practice vocational nursing in the State of Texas on March 6, 2003.
5. Respondent's nursing employment history includes:

3/2003-4/2003	Unknown
5/2003-10/2005	LVN Senior Rehabilitation Port Arthur, Texas

Respondent's nursing employment history continued:

11/2005-2/2006	Unknown
3/2006-7/2006	LVN Cypress Glen East Nederland, Texas
4/2006-1/2007	Assistant Director of Nursing Educator/Staffing Nurse Senior Rehabilitation Port Arthur, Texas
2/2007	Unknown
3/2007-5/2009	LVN Community Health Care Beaumont, Texas
5/2009-8/2009	LVN Physician's Link Home Care Silsbee, Texas

6. At the time of the incident, Respondent was employed as a LVN with Physician's Link Home Care, Silsbee, Texas, and had been in this position for two (2) months.
7. On or about July 13, 2009, through August 11, 2009, while employed with Physician's Link Home Care, Silsbee, Texas, Respondent failed to submit documentation of visits she completed for ten (10) patients assigned to her care. Respondent's visits to the patients' homes were verified with follow up telephone calls to the patients by the agency and with the vital sign records kept in the patients' homes, which the Respondent signed during her visits. The documentation of fifty (50) skilled nursing assessments were not submitted by Respondent. Respondent's conduct resulted in an incomplete medical record and was likely to injure the patients in that subsequent care givers would rely on her documentation to provide further care.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the agency used computers for their notes and that during the time she needed to document her visits the password had been changed and so she was unable to document in the computer. Respondent states she always carried a notebook that she used while in the patient's homes to note vital signs, interventions, and calls she made to the patients' physicians. Respondent states that this occurred over a weekend and she was out of town on the following Monday and so she had her Mother take the computer, supplies, and all her handwritten notes into the agency for her.
