BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.

Executive Director of the Board

NUNC PRO TUNC ORDER OF THE BOARD

TO: Lavita Lashon Turner
5415 Green Ivy Rd
Denton, TX 76210

During open meeting held in Austin, Texas, the Texas Board of Nursing (Board) finds that an Order of the Board was mistakenly ratified and entered for Lavita Lashon Turner. The Order, which was heard and ratified by the Board on August 17, 2010, mistakenly reflects an effective date of August 18, 2010. This date is incorrect. Upon notice and hearing, administrative agencies, like the Courts, have the power to enter nunc pro tunc orders where it can be seen by reference to a record that what was intended to be entered, but was omitted by inadvertence or mistake, can be corrected upon satisfactory proof of its rendition provided that no intervening rights will be prejudiced. *Railroad Comm'n v. McClain*, 356 S.W.2d 330, 334 (Tex. App.--Austin 1962, no writ) (citing *Frankfort Ky. Nat. Gas Co. v. City of Frankfort*, 276 Ky. 199, 123 S.W.2d 270, 272).

The Executive Director, as agent of the Texas Board of Nursing, after review and due consideration of the record and the facts therein, invalidates the Order of the Board for Lavita Lashon Turner that is dated August 18, 2010, and submits and enters the corrected Order of the Board, with the effective date of August 17, 2010. No other changes to the Order have been made. Ms. Turner received due process regarding her nursing license; therefore, her rights have not been prejudiced.

NOW, THEREFORE, IT IS ORDERED that the corrected Agreed Order of the Board is hereby approved and entered on the dates set forth below.

Order effective August 17, 2010.

Entered this 30th day of August, 2010.

KATHERINE A. THOMAS, MN, RN
EXECUTIVE DIRECTOR ON BEHALF OF SAID BOARD

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 200076 §
issued to LAVITA LASHON TURNER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAVITA LASHON TURNER, a.k.a. Lavita Lashon Bruce, Vocational Nurse License Number 200076, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(2),(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 31, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from North Central Texas College Vocational Nursing, Gainesville, Texas, on August 11, 2005. Respondent was licensed to practice vocational nursing in the State of Texas on September 20, 2005.
5. Respondent's nursing employment history includes:

09/2005 - Present	Charge Nurse	Denton Rehabilitation & Nursing Center Denton, Texas
-------------------	--------------	---

6. On or about February 2, 1998, Respondent pled nolo contendere and was convicted of the offense "Criminal Mischief Greater Than \$50 and Less Than \$500" (a Class B Misdemeanor offense committed on November 6, 1997) in the County Criminal Court of Denton County, Texas, Cause No. CR-97-08264-A. Respondent's conduct was likely to injure the public.
7. On or about June 7, 2005, Respondent submitted false and deceptive information to the Board on her initial application for licensure to practice vocational nursing in that Respondent answered "No" to Eligibility Question Number One (1), which asked, in relevant part: "Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or county, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests (excluding minor traffic violation)? ..." On or about February 2, 1998, Respondent pled nolo contendere and was convicted of the offense "Criminal Mischief Greater Than \$50 and Less Than \$500" (a Class B Misdemeanor offense committed on November 6, 1997) in the County Criminal Court of Denton County, Texas, Cause No. CR-97-08264-A. Respondent's conduct may have affected the Board's decision regarding her eligibility for initial licensure to practice vocational nursing in the State of Texas.
8. On or about August 28, 2007, Respondent submitted false and deceptive information to the Board when completing the online renewal of her license to practice vocational nursing in that Respondent answered "No" to the Renewal Question Number Two (2), which asked, in relevant part: "Have you ever been convicted, placed on community supervision whether or not adjudicated guilty, sentenced to serve jail or prison time or granted pre-trial diversion, or plead guilty, no contest or nolo contendere to any crime in any state, territory or county, or received a court order whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests (excluding minor Class C traffic violations)? ... You may answer 'No' if you have previously disclosed a criminal matter otherwise responsive to this question in a renewal and/or licensure form." On or about February 2, 1998, Respondent pled nolo contendere and was convicted of the offense "Criminal Mischief Greater Than \$50 and Less Than \$500" (a Class B Misdemeanor offense committed on November 6, 1997) in the County Criminal Court of Denton County, Texas, Cause No. CR-97-08264-A. As a result of the pleading, Respondent was court ordered to complete one (1) year of Community Supervision. Respondent's conduct was deceptive and may have influenced the Board's decision regarding renewal of her license to practice vocational nursing in the State of Texas.
9. At the time of the incident in Finding of Fact Number Nine (9), Respondent was employed as a Charge Nurse with Denton Rehabilitation & Nursing Center, Denton, Texas, and had been in this position for two (2) years and four (4) months.
10. On or about January 7, 2008, while employed as a Charge Nurse with Denton Rehabilitation and Nursing Center (DNRC), Denton, Texas, Respondent inappropriately accepted an assignment to perform intravenous (IV) therapy on Resident CC, who had a Peripherally Inserted Central Catheter (PICC), when she lacked the education, training, and skills required

to safely perform such duties. Although Respondent had completed a very basic IV course while in nursing school, she did not receive the advanced training needed to manage central lines. Respondent's conduct was likely to injure the resident from care provided without adequate and appropriate training and clinical expertise.

10. On or about January 7, 2008, while employed as a Charge Nurse with Denton Rehabilitation and Nursing Center (DNRC), Denton, Texas, Respondent inappropriately attempted to and/or inappropriately performed intravenous (IV) therapy while caring for Resident CC and Resident EW, as follows:
 - a. Respondent attempted to flush the IV line of Resident CC with sterile water, instead of Bacteriostatic Normal Saline, even though the bottle of sterile water was clearly marked with the warning, "Caution: For irrigation purposes only - not for injection;"
 - b. Respondent failed to check for a blood return before attempting to flush the IV line of Resident CC;
 - c. Respondent failed to break the seal between the two chambers of Clinimix to evenly mix the solution before administering the Clinimix to Resident CC;
 - d. Respondent failed to infuse the IV solution at the ordered rate for Resident EW; and
 - e. Respondent inappropriately wrote information in black marker directly on the plastic IV bag of Resident EW, instead of writing on tape and attaching the tape to the bag.Respondent's conduct may have resulted in non-efficacious treatment and/or caused adverse reactions, including infection and tissue damage.

11. In response to the incidents in Findings of Fact Numbers Seven (7) through Ten (10), Respondent admits that she answered "no" to the question on her initial application for licensure and asserts that when it was time for her nursing class "to send in the Declaratory Order of Eligibility," she explained her situation to the Dean of Nursing and the Dean's exact words were, "Oh you were young and dumb. I wouldn't worry about it." Respondent states she answered "no" to the same question on her renewal application because that's what she answered on the initial application. According to Respondent, she was not trying to deceive, mislead, or misguide anyone, and she does not think that the violation she committed would have had a negative effect on her being able to receive her license as a nurse, so it's not that she was trying to hide anything, it just wasn't clear to her at the time. Respondent apologizes "a thousand times." Regarding the IV, Respondent states that she does not feel that she inappropriately accepted the assignment because she had completed an IV therapy course, "Basic IV Therapy and Venipuncture" from North Central Texas College Vocational Nursing. Respondent states that she takes full responsibility for not following the steps of administering IV therapy with Resident CC, stating that this was an honest mistake in which she prepared 5 cc of sterile water to flush the resident's IV because she failed to follow the five rights of medication administration. Respondent contends that Resident CC was the only resident that she "was monitored giving IV therapy to" and concludes that she has been refreshed on IV therapy by a RN at DRNC since the incident.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(2),(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(C), (1)(G),(1)(H),(1)(M),(1)(P)&(1)(T) and 217.12(1)(A),(1)(B),(1)(E),(4),(6)(H)&(6)(I).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 200076, heretofore issued to LAVITA LASHON TURNER, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
