5. A letter dated March 26, 2006, was submitted to the Board by Douglas J. Stockwell, M.D., The Hauser Clinic and Associates, P.A., Bellaire, Texas, stating that Petitioner has been under his care since April, 2004, for Bipolar II Disorder. Petitioner has an excellent prognosis, and it is in Dr. Stockwell's professional opinion that Petitioner would be an excellent nurse.
6. Petitioner presented evidence of current fitness to practice professional nursing.
7. The safety of patients and the public requires that all persons licensed to practice nursing be fit, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
8. The Board considered evidence of Petitioner's mental health history as provided in §213.29, 22 Texas Administrative Code.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.
10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
12. On March 5, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. In consideration of Petitioner's past conduct and subsequent evidence of treatment, the Executive Director finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Registered Nurses.
