BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 203637 §
issued to BONNIE L. CLAYTON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of BONNIE L. CLAYTON, Vocational Nurse License Number 203637, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10),(12)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 29, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
- 2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
- 4. Respondent received a Certificate in Vocational Nursing from Texarkana Community College, Texarkana, Texas, on February 17, 2006. Respondent was licensed to practice vocational nursing in the State of Texas on April 4, 2006.
- 5. Respondent's vocational nursing employment history includes:

4/2006-3/2007	LVN Charge Nurse	New Boston Healthcare Center New Boston, Texas
4/2007-present	Unknown	

6. At the time of the initial incident, Respondent was employed as a LVN Charge Nurse with New Boston Healthcare Center, New Boston, Texas, and had been in this position for eleven (11) months.
7. On or about March 21, 2007, while employed as a Charge Nurse with New Boston Healthcare, New Boston, Texas, Respondent lacked fitness to safely provide nursing care in that she was found sleeping while on duty, in an empty patient room by the Director of Nursing Services, after a Certified Nursing Assistant called the Director at home and alerted her to the Respondent's absence from her assigned nursing unit. Respondent's conduct was likely to injure the residents in that her absence from her assigned unit left approximately forty (40) residents, for whom she was responsible, without nursing care and the Respondent was not available to supervise the unlicensed staff.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states she had been sick for two days and that she was taking over the counter cold medicine so she could work her shift. She states when it came time for her lunch break she told the other charge nurse on duty and the CNA for her unit that she was going to go lie down in a recliner in the dining room and rest during her break. She says the dining room is right across from the nurse's station and so felt she could be found if she were needed. She states she clocked out for her lunch at 4:30 a.m. and set her cell phone alarm to go off at 5:00 a.m. She states her patients received their medications on time. Respondent states "I stayed on my floor all night and was available to my patients and my CNA."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10),(12)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(I) &(1)(T) and 217.12(1)(E)&(12).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 203637, heretofore issued to BONNIE L. CLAYTON, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
