Licensure	§	

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine Thomas
Executive Director of the Board

On the date entered below, the Board of Nurse Examiners for the State of Texas hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by KATHERINE SANDLIN MASK, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on September 25, 2006, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner is currently enrolled in a Professional Nursing Program at Houston Baptist University, Houston, Texas.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number Six (6), which reads as follows: *"Within the past five (5) years have you been diagnosed with, treated, or hospitalized for schizophrenia and/or psychotic disorders, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?"*

5. A letter dated March 26, 2006, was submitted to the Board by Douglas J. Stockwell, M.D., The Hauser Clinic and Associates, P.A., Bellaire, Texas, stating that Petitioner has been under his care since April, 2004, for Bipolar II Disorder. Petitioner has an excellent prognosis, and it is in Dr. Stockwell's professional opinion that Petitioner would be an excellent nurse.
6. Petitioner presented evidence of current fitness to practice professional nursing.
7. The safety of patients and the public requires that all persons licensed to practice nursing be fit, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
8. The Board considered evidence of Petitioner's mental health history as provided in §213.29, 22 Texas Administrative Code.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.
10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition for Declaratory Order, her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
12. On March 5, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. In consideration of Petitioner's past conduct and subsequent evidence of treatment, the Executive Director finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Registered Nurses.
