I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
 Executive Director of the Board

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SUSAN CLAPP, Registered Nurse License Number 650940 and Vocational Nurse License Number 148296, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 29, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the licenses.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is currently in "delinquent" status.
4. Respondent received a Certificate in Vocational Nursing from Midland College, Midland, Texas, on August 18, 1994. Respondent was licensed to practice vocational nursing in the State of Texas on September 13, 1994. Respondent received an Associate Degree in nursing from Angelo State University, San Angelo, Texas, on May 1, 1998. Respondent was licensed to practice professional nursing in the State of Texas on June 9, 1998.

5. Respondent's complete nursing employment history is unknown.
6. On or about February 14, 2007 through June 27, 2007, while employed as the Head Nurse of the Labor and Delivery Department with Providence Hospital, Waco, Texas, Respondent had knowledge that CK, whose GN permit was invalid due to her failure of the NCLEX examination, was practicing nursing at Providence Hospital, which included:
 - A. Taking report on patients;
 - B. Assessing patients;
 - C. Administering medications;
 - D. Hanging and adjusting rates on Pitocin drips; and
 - E. Documented nursing care in patients' medical records.

Respondent's conduct failed to take into consideration patient safety when she made nursing assignments to an unlicensed person, who lacked the experience and knowledge to safely deliver nursing care, which failed to create a safe environment for patients.

7. In response to Finding of Fact Number Six (6), Respondent states that she can assure the Board that she had no knowledge that CK was practicing in any capacity as a nurse at Providence Health Center after her permit was rendered invalid due to the failure of her NCLEX exam. Respondent took reasonable and appropriate steps to make certain that CK, the preceptor assigned to CK and the nurses in the Labor and Delivery Department were aware that CK could not practice as a GN after her exam failure. Respondent states if CK continued to practice as a GN after she failed the NCLEX it was in direct violation of Respondent's specific instructions for her to cease practice as a GN.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(B)&(S) and §217.12(1)(A)&(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 650940 and Vocational Nurse License Number 148296, heretofore issued to SUSAN CLAPP, including revocation of Respondent's licenses to practice registered and vocational nursing in the State of Texas.
