BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of	§	
FRANK TROY LENHARD	§	ORDER OF

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by FRANK TROY LENHARD, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No". If you have two or more MIP's or MIC's, you must answer "Yes".)

5. Petitioner disclosed the following criminal history, to wit:
- A. On April 19, 2002, Petitioner was charged with the misdemeanor Class B offense of Boating While Intoxicated in the County Court at Law of Orange County, Texas. Petitioner plead Guilty and was assessed a fine and court costs in the amount of seven hundred ninety-five dollars (\$795.00). Petitioner was placed on probation for one (1) year. On May 8, 2004, Petitioner's probation expired.
 - B. On April 19, 2002, Petitioner was charged with the misdemeanor Class B offense of Possession of Marijuana in the County Court at Law of Orange County, Texas. Petitioner was placed on probation for one (1) year and was assessed court costs in the amount of two hundred eighty dollars (\$280.00).
 - C. On April 19, 2002, Petitioner was charged with the misdemeanor Class B offense of Interference with a Public Servant/Peace Officer in the County Court at Law of Orange County, Texas. Petitioner was placed on probation for one (1) year and was assessed court costs in the amount of two hundred eighty dollars (\$280.00).
 - D. On May 8, 2003, Petitioner was charged with the misdemeanor Class A offense of Driving While Intoxicated-2nd in the County Court at Law of Orange County, Texas.  - E. On May 8, 2003, a Motion to Revoke Probation was filed in regard to Petitioner's Boating While Intoxicated case of 2002. Petitioner's probation was amended and extended for three hundred sixty-five (365) days and Petitioner was required to pay court costs in the amount of seventy dollars (\$70.00). Petitioner violated the conditions of his probation because of his 2003 Driving While Intoxicated-2nd charge.
 - F. On May 8, 2003, a Motion to Revoke Probation was filed in Petitioner's Possession of Marijuana case. Petitioner's probation was amended and extended for three hundred sixty-five (365) days. Petitioner was sentenced to six (6) days jail time, to

6. There is no evidence of any subsequent criminal conduct.
7. On October 7, 2005, Petitioner was requested to undergo a Forensic Psychological Evaluation to include a Chemical Dependency Component and a Polygraph Exam. On December 6, 2005, Petitioner presented to Rion N. Hart, Ph.D., Clinical and Consulting Psychology, Houston, Texas, to undergo evaluation. Petitioner was referred for a polygraph examination which was conducted on December 10, 2005. The results from the polygraph examination indicate that Petitioner did substantially tell the truth regarding his substance abuse and use. However, the polygraph interview did indicate that Petitioner has driven once while intoxicated since his DWI arrest and has become intoxicated twice while at home. Petitioner also acknowledged having used between ten (10) and twenty (20) pills of Valium and Xanax that were given to him by a friend during a three-month period in 2002. Petitioner currently has a prescription for Xanax and takes that on an average of one time per week. Petitioner stated that his last marijuana usage was on his birthday (September 16) in 2004. Petitioner was seen for a follow-up appointment on December 27, 2005. The results of the evaluation indicate that Petitioner may have addictive tendencies and his prior alcohol and marijuana use would seem to support this. It does appear that Petitioner has been functioning without dependence on substances for the last three (3) years and has maintained his alcohol consumption to an occasional basis and within acceptable boundaries. Dr. Hart states there is nothing in Petitioner's evaluation that would indicate that he would be unable to consistently behave in accordance with Rules 213.27-213.29 and 217.11, or would be unable to consistently avoid unprofessional conduct as stipulated in Rule 217.12. Petitioner was cautioned by the evaluator regarding his addiction potential and how very important it will be for him to be aware of this so that it does not result in some relapse that would ruin his career in nursing.
8. The Board received letters of support/recommendation for Petitioner from the following:
- A letter of recommendation dated September 2, 2005, was submitted to the Board on behalf of Petitioner by Janis Switzer, RN, Vocational Nursing Instructor, Lamar State College, Orange, Texas.
 - A letter of recommendation dated September 2, 2005, was submitted to the Board on behalf of Petitioner by Lorrie LeBlanc, RN, BSN, Director Vocational Nursing, Lamar State College, Orange, Texas.

- A letter of recommendation dated September 2, 2005, was submitted to the Board on behalf of Petitioner by Jeff Bell, Pastor, Cove Baptist Church, Orange, Texas.
9. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
 10. The Executive Director considered evidence of Petitioner's substance abuse as provided in §213.29, 22 Texas Administrative Code.
 11. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
 12. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition for Declaratory Order, his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
 13. On or about January 24, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
 14. Petitioner's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

2. Petitioner has submitted a petition in compliance with Section 301.257, Texas Occupations Code.
