 - A. On April 22, 1990, Petitioner was charged with the misdemeanor offense of Driving While Intoxicated, Cause No. 81,546, in the County Court of Taylor County, Texas. On August 13, 1990, Petitioner entered a plea of guilty and was sentenced to two (2) years probation. On June 25, 1993, Petitioner's probation was revoked and he was sentenced to confinement in the Taylor County Adult Detention Center for a period of forty-five (45) days, beginning on June 25, 1993, to run concurrent with Cause No. 86,567.
 - B. On April 30, 1991, Petitioner was charged with the misdemeanor offense of Theft by Check, Cause No. 83,526, in the County Court at Law of Taylor County, Texas. On February 17, 1993, the cause was dismissed for the reason that "restitution has been made."
 - C. On September 25, 1992, Petitioner was charged with the misdemeanor offense of Driving While Intoxicated, Cause No. 86,567, in the County Court of Taylor County, Texas. On June 25, 1993, Petitioner entered a plea of guilty and was sentenced to confinement in the Taylor County Adult Detention Center for a period of thirty (30) days, beginning on June 25, 1993, to run concurrent with Cause No. 81,546.

- F. On May 16, 1997, Petitioner was charged with the misdemeanor Class A offense of Driving While Intoxicated, Cause No. 18,813, in the District Court of Taylor County, Texas. Petitioner entered a plea of guilty and was sentenced to forty-five (45) days confinement in Taylor County Jail. Petitioner was assessed a fine of \$500.00 and court costs in the amount of \$219.00.
6. There is no evidence of any subsequent criminal conduct.
7. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number Eight (8), which reads as follows: *"Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a professional license or certificate held by you now or previously, or ever fined, censured, reprimanded or otherwise disciplined you?"*
8. On March 3, 1999, Petitioner was issued an Agreed Board Order by the Board of Vocational Nurse Examiners for the State of Texas, placing his vocational nursing license on probation for eighteen (18) months. A copy of the March 3, 1999, Vocational Board of Nursing Agreed Board Order is attached and incorporated by reference as part of this Order.
9. On November 22, 2000, Petitioner successfully completed his term of probation as stipulated in the March 3, 1999, Agreed Board Order issued by the Board of Vocational Nurse Examiners for the State of Texas.
10. On November 2, 2006, Petitioner was seen by John Lehman, Ph.D. & Associates, Richardson, Texas, to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph examination. The results of the evaluation showed a clear history of chemical dependency. Petitioner's failure to pass the polygraph examination twice reveals that he has not dealt with his alcohol issues and continues to deny he has a problem. Dr. Lehman believes that Petitioner is chemically dependent and needs treatment or at least monitoring. Since it appears that Petitioner has been able to successfully function in his role as an LVN despite his chemical dependency, Dr. Lehman would recommend that Petitioner be placed in TPAPN for supervision, treatment, and monitoring.
11. Petitioner presented evidence of current fitness to practice professional nursing, provided Petitioner comply with the stipulations as outlined in this Order.

12. The Board received letters of support/recommendation for Petitioner from the following:
- A letter of reference dated March 17, 2004, was submitted to the Board on behalf of Petitioner by Cheryl Livengood, RN, MSN, Coordinator, Associate Degree Program, Cisco Junior College, Abilene, Texas.

 - A letter of reference was submitted to the Board on behalf of Petitioner by Chris Knapp, Assistant Administrator, Colorado Nursing Center, Abilene, Texas.
13. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
14. The Board considered evidence of Petitioner's substance abuse and subsequent rehabilitation as provided in §213.29, 22 Texas Administrative Code
15. The Committee's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
16. Petitioner has sworn that, with the exception of matters disclosed in connection with the Application for Licensure by Examination, his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
17. On March 20, 2007, the Eligibility and Disciplinary Committee of the Board considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

18. In consideration of Petitioner's past conduct and subsequent evidence of rehabilitation, the Board finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Registered Nurses.
19. Petitioner's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

2. Petitioner has submitted a petition in compliance with Section 301.257, Texas Occupations Code.

4. The Board of Nurse Examiners may license an individual who has a history of substance abuse, after consideration of the criteria set out in 22 Texas Administrative Code §213.29, the Board determines the Petitioner does not currently pose a direct threat to the health and safety of patients or the public.
5. The Board may, in its discretion, order a Petitioner, upon initial licensure as a registered nurse, to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
