ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Board of Nurse Examiners for the State of Te:
hereinafter referred to as the Board, considered the Application by Examination for Licensure and supporting documents filed by KATHLEEN ELIZABETH WARD, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on August 18, 2006, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about March 7, 2006, Petitioner submitted an Application by Examination for Licensure requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with a Certificate in Vocational Nursing from The Victoria College, Victoria, Texas, in August 2006.
4. Petitioner completed the Application by Examination for Licensure and answered "yes" to eligibility Question Number Two (2), which reads as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending*

criminal charges or unresolved arrest (excluding minor traffic violations)? This includes expunged offenses and deferred adjudication with or without prejudice of guilt. Please note that DUI's, DWT's, and PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No." If you have two or more MIP's or MIC's, you must answer "Yes".)

5. Petitioner disclosed the following criminal history, to wit:
- A. On May 19, 1995, Petitioner was charged with the misdemeanor offense of Burglary of a Vehicle in the County Court at Law No. 1 of Victoria County, Texas. On August 14, 1995, Petitioner plead "nolo contendere" and proceedings were deferred without adjudication of guilt. Petitioner was placed on community supervision for twelve (12) months. On February 14, 1996, Petitioner violated the terms of her supervision and a finding of guilty was entered. Petitioner was then sentenced to one (1) year confinement in the Victoria County Jail with sentence satisfied by submitting to electronic monitoring.
 - B. On August 30, 1995, Petitioner plead Guilty to the state jail felony offense of Credit Card Abuse in the 377th Judicial District Court of Victoria County, Texas. Proceedings were deferred without adjudication of guilt and Petitioner was placed on community supervision for seven (7) years. Petitioner was assessed a fine and court costs in the amount of one thousand one hundred seventy-nine dollars (\$1,179.00) and required to pay restitution in the amount of one thousand eight hundred seventy-one dollars (\$1871.00). On January 31, 2001, an Order Revoking Community Supervision was entered and Petitioner was convicted. Petitioner was sentenced to a state jail facility for a term of eighteen (18) months.
 - C. On August 1, 1996, Petitioner was charged with the Class B misdemeanor offense of Possession of Marijuana in the County Court at Law No. One of Victoria County, Texas. On October 23, 1996, Petitioner plead guilty and was assessed a fine and court costs.
 - D. On February 5, 2001, Petitioner plead guilty to the Class B misdemeanor offense of Theft in the County Court at Law No. 1 of Victoria County, Texas. Petitioner was sentenced to ninety (90) days confinement in the Victoria County Jail and assessed a fine and court costs.
 - E. On February 23, 2001, Petitioner was charged with the Class B misdemeanor offense of Theft of Services in the County Court at Law No. 2 of Victoria County, Texas. On November 16, 2001, the criminal action was dismissed on the grounds that Petitioner was incarcerated in the Texas Department of Criminal Justice and the state no longer wished to pursue the cause.

6. There is no evidence of any subsequent criminal conduct.
7. On June 24, 2006, Petitioner presented to Troy Martinez, Psy.D., Licensed Psychologist, Corpus Christi, Texas, to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph exam. The results of the evaluation indicate that Petitioner is capable of conducting herself in accordance with the requirements of Rules 213.27-213.29 at 22 TAC. Petitioner is capable of consistently behaving in accordance with the minimal standards set by the Board's Rules 217.11 at 22 TAC. Petitioner would be able to consistently behave in accordance with generally accepted nursing standards and consistently be able to avoid behaviors identified as constituting unprofessional misconduct. Petitioner's polygraph results reveal an absence of deception specific to relevant questions.
8. The Board received letters of support/recommendation for Petitioner from the following:
 - A letter of recommendation dated January 23, 2006, was submitted to the Board on behalf of Petitioner by Melissa Vander Stucken, RN, Vocational Nursing Program, The Victoria College, Victoria, Texas.
 - A letter of recommendation dated January 25, 2006, was submitted to the Board on behalf of Petitioner by Darla Guajardo, RN, Vocational Nursing Program, The Victoria College, Victoria, Texas.
 - A letter of recommendation dated January 20, 2006, was submitted to the Board on behalf of Petitioner by Sharon A. Stevens, RN, BSN, Vocational Nursing Program, The Victoria College, Victoria, Texas.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.
10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. Petitioner has sworn that, with the exception of matters disclosed in connection with the Application by Examination for Licensure, her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
13. On or about August 18, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
