BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 133278 §
issued to PAULA ANN FACKLAM § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of PAULA ANN FACKLAM, Vocational Nurse License Number 133278, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9),(10)&(12), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 8, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Flint Hills Area Vocational/Technical School, Emporia, Kansas on December 6, 1990. Respondent was licensed to practice vocational nursing in the State of Texas on September 24, 1991.
5. Respondent's complete vocational nursing employment history is unknown.

6. At the time of the incident described in Findings of Fact Numbers Seven (7), Eight (8), Nine (9) and Ten (10), Respondent was employed as a Staff LVN with Gulf Pointe Plaza, Rockport, Texas, and had been in this position for two (2) months.
7. On or about December 15, 2009, while employed as a Licensed Vocational Nurse with Gulf Pointe Plaza, Rockport, Texas, Respondent misappropriated Alprazolam, Ambien and Temazepan from patients' M.R. and G.G. and from the facility and patients thereof, or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
8. On or about December 15, 2009, while employed as a Licensed Vocational Nurse with Gulf Pointe Plaza, Rockport, Texas, Respondent lacked fitness to practice professional nursing, in that she was observed staggering, slightly swaying, had a blank stare and had slurred speech. Furthermore, Respondent lost consciousness several times and eventually stopped breathing, requiring intervention by EMS to resuscitate her and administer Narcan. Once resuscitated, Respondent became combative and angry and refused transport to the emergency room. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. On or about December 15, 2009, while employed as a Licensed Vocational Nurse with Gulf Pointe Plaza, Rockport, Texas, Texas, Respondent engaged in the intemperate use of Alprazolam, Ambien and Temazepan in that Respondent produced a specimen for a drug screen which resulted positive for Alprazolam, Ambien and Temazepan and was unable to produce a verified prescription. Possession of Alprazolam, Ambien and Temazepan is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Alprazolam, Ambien and Temazepan by a Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
10. On or about December 15, 2009, while employed as a Licensed Vocational Nurse with Gulf Pointe Plaza, Rockport, Texas, Texas, Respondent admitted that she misappropriated Alprazolam, Ambien and Temazepan for her own personal use from the facility and the patients thereof. Respondent's conduct defrauded the patients and the facility of the cost of the medications.
11. In response to Findings of Fact Numbers Seven (7) through Ten (10), Respondent states they are all true and request assistance from the TPAPN program.

12. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
14. Respondent's conduct described in Findings of Fact Numbers Seven (7) through Ten (10), resulted from Respondent's impairment by dependency on chemicals.
15. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9),(10)&(12), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5),(8),(10)(A),(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 133278, heretofore issued to PAULA ANN FACKLAM, including revocation of Respondent's license to practice nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.

ORDER

IT IS THEREFORE AGREED and ORDERED that RESPONDENT, in lieu of the sanction of Revocation under Section 301.453, Texas Occupations Code, SHALL comply with the following conditions for such a time as is required for RESPONDENT to successfully complete the Texas Peer Assistance Program for Nurses (TPAPN):

(1) RESPONDENT SHALL, within forty-five (45) days following the date of entry of this final Order, apply to TPAPN and SHALL, within ninety (90) days following the date of entry of this final Order, sign and execute the TPAPN participation agreement, which SHALL include payment of a non-refundable participation fee in the amount of three hundred fifty dollars (\$350.00) payable to TPAPN.

(2) Upon acceptance into the TPAPN, RESPONDENT SHALL waive confidentiality and provide a copy of the executed TPAPN participation agreement to the Texas Board of Nursing.

(3) RESPONDENT SHALL comply with all requirements of the TPAPN participation agreement during its term and SHALL keep her license to practice nursing in the State of Texas current.

(4) RESPONDENT SHALL CAUSE the TPAPN to notify the Texas Board of Nursing of any violation of the TPAPN participation agreement.

IT IS FURTHER AGREED and ORDERED, RESPONDENT SHALL comply in all respects with the Nursing Practice Act, Texas Occupations Code, Section §§301.001 *et seq.*, the Rules and Regulations Relating to Nurse Education, Licensure and Practice, 22 TEX. ADMIN. CODE §211.1 *et seq.* and this Order.

IT IS FURTHER AGREED and ORDERED that this Order SHALL be applicable to Respondent's nurse licensure compact privileges, if any, to practice nursing in the State of Texas.

IT IS FURTHER AGREED and ORDERED that while Respondent's license is encumbered by this Order, Respondent may not work outside the State of Texas pursuant to a multistate licensure privilege without the written permission of the Texas Board of Nursing and the Board of Nursing in the party state where Respondent wishes to work.

IT IS FURTHER AGREED, SHOULD RESPONDENT fail to comply with this

Order or the terms of the participation agreement with the TPAPN, such noncompliance will result in further disciplinary action including EMERGENCY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license and nurse licensure compact privileges, if any, to practice nursing in the State of Texas.
