BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse	§	AGREED
License Number 161110	§	
issued to JASON KENNETH BURD	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JASON KENNETH BURD, Vocational Nurse License Number 161110, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10) & (13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 16, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from San Jacinto College South, Houston, Texas on December 11, 1996. Respondent was licensed to practice vocational nursing in the State of Texas on January 21, 1997.
5. Respondent's vocational nursing employment history includes:

1/97-1999	Unknown.
-----------	----------

Respondent's vocational nursing employment history continued:

1999-2004	LVN	MSN Staffing Houston, Texas
2001-1/06	LVN	S.E.V. Staffing Houston, Texas
2/06-1/08	LVN	All About Staffing Houston, Texas
2/08-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with All About Staffing, Houston, Texas, and had been in this position for approximately one (1) year and eleven (11) months.
7. On or about December 26, 2007 and January 2, 2008, while employed as an Agency Nurse with All About Staffing, and on assignment at Mainland Medical Center, Texas City, Texas, Respondent admits he withdrew Ativan and Demerol from the medication dispensing system for patient numbers 960281322 and 960301011 but failed to completely and accurately document administration of the medicine in the patients' Medical Administration Record (MAR) and/or Nurse's Notes. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patients which could result in an overdose.
8. On or about December 26, 2007 and January 2, 2008, while employed as an Agency Nurse with All About Staffing, and on assignment at Mainland Medical Center, Texas City, Texas, Respondent withdrew Ativan and Demerol from the medication dispensing system for patient numbers 960281322 and 960301011 but failed to follow the policy and procedures for the wastage of the unused portions of the medications. Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
9. On or about December 26, 2007 and January 2, 2008, while employed as an Agency Nurse with All About Staffing, and on assignment at Mainland Medical Center, Texas City, Texas, Respondent withdrew Ativan and Demerol from the medication dispensing system for patient numbers 960281322 and 960301011 in excess frequency of the physician's orders. Respondent's conduct was likely to injure the patients in that the administration of Ativan and Demerol in excess frequency and/or dosage of the physician's order could result in the patients suffering from adverse reactions.

10. In response to Finding of Facts Numbers Seven (7) through Nine (9), Respondent states he reviewed a computer generated report of the MAR which did not reflect the appropriate documentation of administration of these medications by himself. Respondent states he vividly recalled the patient number 960301011 with the Demerol order suffering a great deal of pain with the Physician at the bedside. The Physician ordered to give an extra dose of Demerol right then so he went and got the dose, verified it with the Physician, still at the bedside, and asked him to remember to write the order in the chart. Respondent states when reviewing the chart at Peer Review he did not see a written order or a verbal order written by himself for the extra dose. He states all he could recall was that it was a hectic day and his first time ever to work on the unit with no orientation and heavy work load. Respondent states the removal of the Ativan as an additional dose was due to an extremely difficult patient (#960281322) and after crushing all her medication and mixing them with apple sauce, she spit the mixture out and said she didn't like apple sauce and that he needed to mix it with Jello. Respondent states it appears he failed to accurately document the waste of the medication in the Pyxis.

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 161110, heretofore issued to JASON KENNETH BURD, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
