In the Matter of Registered Nurse § AGREED  
License Number 251123 §  
issued to CLEVE ESTHER GIBSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of CLEVE ESTHER GIBSON, Registered Nurse License Number 251123, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on October 13, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Central Texas College, Killeen, Texas, on May 1, 1978. Respondent was licensed to practice professional nursing in the State of Texas on April 4, 1980.
5. Respondent's nursing employment history includes:

1980-1982	RN Med/Surg	Darnall Army Hospital Fort Hood, Texas
1982-1984	RN ICU, Med/Surg	Veteran's Administration Temple, Texas

Respondent's nursing employment history continued:

1984-2001	RN	Darnall Army Hospital Fort Hood, Texas
2001-2003	RN	Bell Haven Nursing Home Killeen, Texas
2004-Present	RN	The Rosewood Killeen, Texas

6. At the time of the initial incident, Respondent was employed as a RN with The Rosewood, Killeen, Texas, and had been in this position for five (5) years.
7. On or about May 23, 2009, while employed as the weekend supervisor with The Rosewood, Killeen, Texas, Respondent failed to initiate chest compressions when Patient Medical Record Number 1651 was found pulseless and without respirations. The patient, who had been taken to the emergency room early the same day for respiratory distress and who was a full code, was sitting in his wheel chair at the nurses station when the charge nurse noticed he was no longer breathing and had no pulse. The charge nurse notified the Respondent of the patient's condition and, once the Respondent had assessed the patient, returned him to his room where the charge nurse initiated artificial respirations. Respondent accompanied the patient and charge nurse to the patient's room but failed to initiate chest compression after the charge nurse informed her that there was a note in the patient's chart indicating no chest compressions were to be done for the patient due to his severe scoliosis. Respondent's conduct may have contributed to the patient's demise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that shortly after she arrived to work the LVN asked her to assess the resident. Respondent states she found that the resident had no respiration, pulse, or blood pressure, so she instructed the LVN to take the resident to his room and cardiopulmonary resuscitation (CPR) was started complete with chest compressions. Respondent states that she called the Director of Nursing to let her know and she said the resident was not to receive compressions per doctor's order. Respondent states they stopped compressions and she looked for the letter in the resident's chart and 911 was called. Respondent states the letter was found, but later the doctor said it was only a recommendation and not an order. The Respondent concludes that full CPR was initiated when the resident was first returned to his room.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(M)&(3)(A) and 217.12(4).
