BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 733380 §
issued to STEVEN TODD LUBKING § ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of STEVEN TODD LUBKING, Registered Nurse License Number 733380 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 22, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate degree in Nursing from Northwestern State University, Shreveport, Louisiana, on December 1, 1994. Respondent was licensed to practice professional nursing in the State of Texas on September 1, 2006.
5. Respondent's complete nursing employment history is unknown.
6. On August 18, 2006, Respondent was issued an Eligibility Agreed Order by the Board of Nurse Examiners for the State of Texas. A copy of the August 18, 2006, Eligibility Agreed Order, Findings of Fact and Conclusions of Law, is attached and incorporated, by reference, as part of this Order.

7. On January 11, 2010, Respondent was issued an Agreed Order by the Texas Board of Nursing that required Respondent to participate in and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the January 11, 2010, Agreed Order, Findings of Fact and Conclusions of Law, is attached and incorporated, by reference, as part of this Order.
8. On or about February 16, 2010, while employed as a Registered Nurse with McAllen Medical Center, McAllen, Texas, Respondent became non-compliant with the Agreed Order issued to him by the Texas Board of Nursing on January 11, 2010. Non-compliance is the result of Respondent's failure to comply with all requirements of the Texas Peer Assistance Program for Nurses (TPAPN) contract in that Respondent submitted a specimen for a drug screen which tested positive for Butalbital (278 ng/mL). Additionally, Respondent admitted to using his wife's prescription. Stipulation Number Three (3) of the Order Dated January 11, 2010, reads, in pertinent part:
 - (3) RESPONDENT SHALL comply with all requirements of the TPAPN contract during its term.
9. In Response to Finding of Fact Number Eight (8), Respondent denies using Butalbital in violation of either his Agreed Order or participation agreement with TPAPN. Respondent states that he had been prescribed this medication since early in 2009 to treat migraines which are a long term side effect of his episode of viral encephalitis. Additionally, Respondent states prior to the positive screen, he had briefly used his wife's prescription for the exact same medication and dosage prior to him being able to refill his prescription through Tommy Yee, M.D., P.A., his neurologist. Respondent denies ever admitting to "relapsing" or that his usage of the medication represents intemperate use.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
11. Charges were filed on May 6, 2010.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(1)&(10), Texas Occupations Code and 22 TEX. ADMIN. CODE §217.12(1)(A)&(B),(9),(10)(A)&(D) and (11)(B).
