On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LINDA GEAN MURPHEY, Vocational Nurse License Number 154717, hereinafter referred to as Respondent.

4. Respondent received a Diploma in Vocational Nursing from West Louisiana Vocational Technical School, Leesville, Louisiana, on August 1, 1991. Respondent was licensed to practice vocational nursing in the State of Texas on September 28, 1995.
5. Respondent's nursing employment history includes:

10/2003-04/2008	Staff Nurse Brownwood Regional Medical Center Brownwood, Texas
2008-present	Unknown

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a vocational nurse with Brownwood Regional Medical Center, Brownwood Texas, and had been in this position for approximately four (4) years and eight (8) months.
7. On or about September 18, 2007, while employed with Brownwood Regional Medical Center, Brownwood, Texas, Respondent falsely documented the administration of "Nifedipine 20mg" to Patient MR# 033506 in that Respondent removed said medication from the Acudose medication dispensation system at 14:17, and documented that she administered "Nifedipine 20mg" to said patient at 12:00pm. Respondent's action exposed Patient MR# 33506 to the risk of harm in that subsequent caregivers would have relied on inaccurate information on which to base their future plan of care.
8. In response to Finding of Fact Number Seven (7), Respondent states that while dispensing the medication from the Acudose machine around 12:00 o'clock, she was inadvertently logged out of the machine. Respondent adds that she was too busy to correct the error then, but returned at 14:00 to address the issue by entering a withdrawal in the machine without removing any medication.
9. On or about September 18, 2007, while employed with Brownwood Regional Medical Center, Brownwood, Texas, Respondent falsely documented the administration of "Bisacodyl Suppository" to Patient MR# 033506 in that Respondent removed said medication from the Acudose medication dispensation system at 14:16, and documented the administration of "Bisacodyl Suppository" to said patient at 10:00am. Respondent's action exposed Patient MR# 033506 to the risk of harm in that subsequent caregivers would have relied on inaccurate information on which to base their future plan of care.

10. In response to Finding of Fact Number Nine (9), Respondent states that she can not recall the details of the incident since it was not addressed until two weeks later. In addition, Respondent admits to documenting the administration of "Bisacodyl Suppository" to patient MR# 033506 at 10:00 instead of 14:16, on said date. Respondent however, denies administering a tablet instead, as alleged by the patient.
11. On or about October 5, 2007, while employed with Brownwood Regional Medical Center, Brownwood, Texas, Respondent failed to accurately document the administration of "Nifedipine 20mg" to Patient MR# 033506 in that Respondent removed said medication from the Acudose medication dispensation system at 12:58, and documented the administration of "Nifedipine 20mg" to said patient at 12:00. Respondent's action exposed Patient MR# 033506 to the risk of harm in that subsequent caregivers would have relied on inaccurate information on which to base their future plan of care.
12. In Response to Finding of Fact Number Eleven (11), Respondent states that when she went to administer "Nifedipine 20mg" to Patient MR# 033506, she was not in her room. In addition, Respondent states that she was later informed that said patient, who was complaining of pain, had been moved to Labor and Delivery, and that Respondent was never informed of the transfer.
13. On or about October 7, 2007, while employed with Brownwood Regional Medical Center, Respondent falsely documented the administration of "Nifedipine 20mg" to Patient MR# 033506 in that Respondent documented the administration of said medication to said patient at 18:00 when the Acudose medication dispensation record does not indicate that Respondent removed any "Nifedipine" on said date. Respondent's action exposed Patient MR# 033506 to the risk of harm in that subsequent caregivers would have relied on inaccurate information on which to base their plan of care.
14. On or about October 7, 2007, while employed with Brownwood Regional Medical Center, Respondent failed to administer "Nifedipine 20mg" at 12:00pm to Patient MR# 033506, as ordered. Instead, Respondent, administered "Nifedipine 20mg" to said Patient at 14:00. Respondent's failure exposed Patient MR# 033506 to the risk of harm in that subsequent caregivers would have relied on inaccurate information on which to base their plan of care.
15. In response to Finding of Fact Number Fourteen (14), Respondent states that she had forgotten to administer the 12:00 o'clock dose of "Nifedipine 20mg" to Patient MR# 033506, as ordered. Respondent adds that she checked the patient's room at 12:15, but the patient was not there. Furthermore, Respondent adds that she was unable to locate the patient until 14:17, at which time, she administered the medication. Respondent did not provide a response to Finding of Fact Number Thirteen (13).

16. On or about January 11, 2008, while employed with Brownwood Regional Medical Center, Brownwood, Texas, Respondent failed to clarify a physician's order to continue "Methyldopa" for Patient MR# 015588 preoperatively. Instead, Respondent changed the medication administration time for said medication to be administered by the following shift. Respondent's action exposed Patient MR# 015588 to the risk of medication overdose.
17. In response to Finding of Fact Number Sixteen (16), Respondent states that the physician's order had been transcribed by the previous night shift nurses on to the Medication Administration Record without clarification. Respondent acknowledges her error and accepts responsibility for her actions.
18. On or about April 15, 2008, while employed with Brownwood Regional Medical Center, Brownwood, Texas, Respondent failed to administer "Toradol 30mg" to Patient MR# 047975 in a timely manner. Instead, Respondent left the floor to inquire about a relative who was experiencing a medical emergency at said hospital. Respondent's action may have subjected Patient MR# 047975 to unnecessary pain and suffering.
19. In response to Finding of Fact Number Eighteen (18), Respondent admits to leaving her duty station to check on her relative after hearing a Code Blue called for his room, and after informing someone at the nursing station of where she was going. Respondent adds that she returned and administered the medication 45 minutes later.

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
