BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of
THOMAS DUNLEAVY SMITH
PETITIONER for Eligibility for
Licensure

§

§

ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Application for Licensure by Examination and supporting documents filed by THOMAS DUNLEAVY SMITH, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452(b)(3), Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on March 6, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about September 19, 2006, Petitioner submitted an Application for Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with an Associate Degree in Nursing from Tarrant County College, Fort Worth, Texas, in December 2006.
4. Petitioner completed the Application for Licensure by Examination for Registered Nursing and answered "yes" to Question Number One (1), which reads in part as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests? This includes expunged offenses and deferred adjudication with or without prejudice of guilt."*

5. Petitioner disclosed the following criminal history, to wit:

- A. On or about August 14, 2000, Petitioner was charged convicted of Class B misdemeanor offense of Driving While Intoxicated in the County Court No. 3 of Tarrant County, Texas. Petitioner was sentenced to thirty (30) days confinement in the Tarrant County Jail.
- B. On or about March 12, 2001, Petitioner was charged with the misdemeanor offense of Burglary of a Vehicle in the County Criminal Court No. 8 of Tarrant County, Texas. Proceedings were deferred without adjudication of guilt and Petitioner was placed on twelve (12) months probation. On April 19, 2002, Petitioner was found to have violated the terms of his community supervision and a finding of guilty was entered and Petitioner was sentenced to confinement in the Tarrant County Jail for a period of sixty (60) days.
- C. On or about December 14, 2001, Petitioner was convicted of the Class B misdemeanor offense of Possession of Marijuana in the County Criminal Court No. 8 of Tarrant County, Texas. Petitioner was sentenced to sixty (60) days confinement in the Tarrant County Jail.
- D. On or about April 19, 2002, Petitioner was convicted of the Class A misdemeanor offense of Driving While Intoxicated - 2nd offense in the County Criminal Court No. 8 of Tarrant County, Texas. Petitioner was sentenced to sixty (60) days confinement in the Tarrant County Jail.

6. There is no evidence of any subsequent criminal conduct.

7. On January 3, 2007, Petitioner was seen by John Lehman, Ph.D., to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph examination. The results of the evaluation showed that Petitioner has not addressed his alcohol issues, and Dr. Lehman feels that Petitioner needs to enter a more intensive recovery program as he has done little to address long term sobriety and better coping skills. Dr. Lehman believes that Petitioner has good potential for the field of nursing if he gains sobriety. Dr. Lehman gives two recommendations: 1. Licensure with TPAPN participation; or 2. Deny pending 1 year documented sobriety.

8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.

9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.

10. Petitioner has sworn that his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. On March 6, 2007, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
14. In consideration of Petitioner's past conduct and subsequent evidence of rehabilitation, the Executive Director finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Registered Nurses.
15. Petitioner's compliance with the terms of a Board-approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted an application in compliance with Section 301.257, Texas Occupations Code.
3. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
4. The Board of Nurse Examiners may license an individual who has a history of substance abuse, after consideration of the criteria set out in 22 Texas Administrative Code §213.29, the Board determines the Petitioner does not currently pose a direct threat to the health and safety of patients or the public.

5. The Board may, in its discretion, order a Petitioner, upon initial licensure as a registered nurse, to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse §
License Number 742341 § AGREED
issued to THOMAS DUNLEAVY SMITH § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of THOMAS DUNLEAVY SMITH, Registered Nurse License Number 742341, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(1),(9)&(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 12, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Tarrant County Junior College, Fort Worth, Texas, on December 14, 2006. Respondent was licensed to practice professional nursing in the State of Texas on June 14, 2007.
5. Respondent's professional nursing employment history includes:

06/07 - 08/07	Unknown	
09/07 - 01/08	RN Nurse	North Hills Hospital Richland Hills, Texas
02/08 - Current	Unknown	

6. On April 17, 2007, Respondent was issued an Order of Conditional Eligibility by the Board of Nurse Examiners For the State of Texas which required Respondent to participate and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the Findings of Fact, Conclusions of Law and Agreed Order dated April 17, 2007, is attached and incorporated by reference as part of this Order.
7. At the time of the incidents, Respondent was employed as a Registered Nurse with North Hills Hospital, Richland Hills, Texas, and had been in this position for three (3) months.
8. On or about December 26, 2007, while employed as a Registered Nurse with North Hills Hospital, Richland Hills, Texas, Respondent engaged in the intemperate use of alcohol in that he produced a specimen for screening which resulted positive for Ethyl Glucuronide. The use of alcohol by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. On or about December 26, 2007, Respondent failed to comply with the Order of Conditional Eligibility issued on April 17, 2007, by the Board of Nurse Examiners for the State of Texas. Non-compliance is the result of Respondent's intemperate use of alcohol which constitutes a failure to comply with Stipulation Number Three (3) of the Order which reads:

(3) "PETITIONER SHALL comply with all requirements of the TPAPN contract during its term."

On or about January 11, 2008, Respondent was dismissed from TPAPN and referred to the Board.

10. In response to Findings of Fact Numbers Eight (8) and Nine (9), Respondent believes it was a mistake to have agreed to the Order of Conditional Eligibility requiring TPAPN participation. He cites an assessment he took prior to entering the TPAPN program that found no psychiatric or substance abuse diagnoses and recommended no treatment or restrictions. Also, Respondent acknowledges he made poor decisions as a teenager, that resulted in the Conditional Eligibility Order, but that he is no longer a teenager.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(1),(9)&(10) Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5),(9),(10)(A)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 742341, heretofore issued to THOMAS DUNLEAVY SMITH, including revocation of Respondent's license to practice professional nursing in the State of Texas.
