BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 153727 §
issued to NADRIA DAVON BUSBY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of NADRIA DAVON BUSBY, Vocational Nurse License Number 153727, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 31, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Clarendon College, Clarendon, Texas, on August 11, 1995. Respondent was license to practice vocational nursing in the State of Texas on September 14, 1995.
5. Respondent's nursing employment history includes:

9/1995-2003 Unknown

Respondent's nursing employment history continued:

2003-4/2005	LVN	Lifecare Center of Holton Holton, Texas
4/2005-10/2005	LVN	Westpark Nursing Home Fules, Texas
10/2005-5/2006	LVN	Wedgewood Nursing Home Fort Worth, Texas
6/2006-4/2008	LVN	Keller Oaks Healthcare Center North Richland Hills, Texas
5/2008-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a LVN with Keller Oaks Healthcare Center, North Richland Hills, Texas, and had been in this position for one (1) year and nine (9) months.
7. On or about March 27, 2008, through March 29, 2008, while employed with Keller Oaks Healthcare Center, North Richland Hills, Texas, Respondent failed to document in the medical record of Resident JE any assessment or interventions completed during the shifts she worked following an initial change in the condition of Resident JE on March 27, 2008. Respondent failed to notify the physician of the changes the resident was exhibiting, including that the resident was crying out in pain during person care. On March 30, 2008, an x-ray revealed that the resident had a right hip fracture, and the resident was transferred to an acute care hospital, where she died nine (9) days later. Respondent's conduct was likely to injure the resident from non-efficacious care and may have contributed the resident's subsequent demise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that shortly after midnight she was told by the Certified Nursing Assistant (CNA) that the resident was crying out during personal care and so she went to assess the resident after she was finished passing medications. Respondent states she checked the resident for bruises, redness, or swelling but did not detect any. Respondent states the resident had been non-ambulatory prior to this incident. Respondent states the CNA told her it seemed the resident's pain was in the right leg and while they repositioned the resident it seemed to Respondent that the pain was in the right leg. She noted the resident's reaction to movement indicated a pain level of around 3. Respondent states that she gave the resident Tylenol for the pain but she did not document this on the medication administration record and she did not document her assessment in the resident's chart because she got busy with another patient before shift change. Respondent states she did tell the oncoming nurse and made a note on the 24 hour report, and the next night, the CNA reported to her that the resident appeared to be having the same problem and so she went to assess the resident again and did not detect any injury.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M), (1)(P)&(2)(A) and 217.12(1)(A)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 153727, heretofore issued to NADRIA DAVON BUSBY, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
