## OPINION AND ORDER OF THE BOARD

TO: WINIFRED JOYCE BAKER
PO BOX 6543
FORT WORTH, TX 76115

PAUL D. KEEPER
ADMINISTRATIVE LAW JUDGE
300 WEST 15TH STREET
AUSTIN, TEXAS 78701

At the regularly scheduled public meeting on April 28-29, 2011, the Texas Board of Nursing (Board) considered the following items: (1) The Proposal for Decision (PFD) regarding the above cited matter; (2) Staff's recommendation that the Board adopt the PFD regarding the vocational nursing license of Winifred Joyce Baker with changes; and (3) Respondent's recommendation to the Board regarding the PFD and order, if any.

The Board finds that after proper and timely notice was given, the above styled case was heard by an Administrative Law Judge (ALJ) who made and filed a PFD containing the ALJ's findings of facts and conclusions of law. The PFD was properly served on all parties and all parties were given an opportunity to file exceptions and replies as part of the record herein. No exceptions were filed by any party.

The Board, after review and due consideration of the PFD, Staff's recommendations, and Respondent's presentation during the open meeting, adopts all of the findings of fact and conclusions of law of the ALJ contained in the PFD as if fully set out and separately stated herein, except for Conclusion of Law Number 10, which is not adopted by the Board. All proposed findings of fact and conclusions of law filed by any

party not specifically adopted herein are hereby denied.

Conclusion of Law Number 10

The Government Code §2001.058(e) authorizes the Board to change a finding of fact or conclusion of law made by the ALJ, or to vacate or modify an order issued by the ALJ, if the Board determines that the ALJ did not properly apply or interpret applicable law, agency rules, written policies, or prior administrative decisions. The ALJ did not properly apply or interpret applicable law in this matter when he included his recommended sanction as a conclusion of law. A recommendation for a sanction is not a proper conclusion of law. An agency is the final decision maker regarding the imposition of sanctions. Once it has been determined that a violation of the law has occurred, the sanction is a matter for the agency's discretion. The choice of penalty is vested in the agency, not in the courts. The agency is charged by law with discretion to fix the penalty when it determines that the statute has been violated. Thus, the Board is not required to give presumptively binding effect to an ALJ's recommendation regarding sanctions in the same manner as with other findings of fact and conclusions of law. Further, the mere labeling of a recommended sanction as a conclusion of law or as a finding of fact does not change the effect of the ALJ's recommendation...[T]he Board, not the ALJ, is the decision maker concerning sanctions. *See Texas State Board of Dental Examiners vs. Brown*, 281 S.W. 3d 692 (Tex. App. - Corpus Christi 2009, pet. filed); *Sears vs. Tex. State Bd. of Dental Exam'rs*, 759 S.W.2d 748, 751 (Tex.App.-Austin 1988, no pet); *Firemen's & Policemen's Civil Serv. Comm'n vs. Brinkmeyer*, 662 S.W.2d 953, 956 (Tex.1984); *Granek vs. Tex. State Bd. of Med. Exam'rs*, 172 S.W.3d 761, 781 (Tex.App.-Austin 2005, pet. denied).

The Board rejects Conclusion of Law Number 10 because it is a recommended sanction and not a proper conclusion of law. Further, the Board retains authority to determine the final sanction in this matter. The ALJ recommends the revocation of the

Respondent's license. The Board agrees with the ALJ that the Respondent violated the Occupations Code §301.452(b)(10) and (13). The Board further agrees with the ALJ that the Respondent's conduct was likely to injure the patients under her care. However, despite the seriousness of the Respondent's actions, the Board disagrees with the ALJ that the Respondent's license should be revoked. The Board finds, instead, that a lesser sanction is warranted under its Disciplinary Matrix, located at 22 Tex. Admin. Code §213.33(b). The Board finds that the ALJ failed to correctly interpret or apply applicable law in this matter when he recommended revocation of the Respondent's license.

The Board finds that the Respondent's conduct warrants a second tier offense, sanction level I sanction for her violations of the Occupations Code §301.452(b)(10). Further, the Board finds that the Respondent's conduct warrants a second tier offense, sanction level I sanction for her violations of the Occupations Code §301.452(b)(13). At these sanction levels, the Disciplinary Matrix provides for the imposition of either a Warning or a Reprimand with Stipulations. The Board finds that, based upon the seriousness of the violations, the number of violations, and the associated risk of serious patient harm, as specified in the adopted findings of fact, the sanction of a Reprimand with Stipulations is appropriate and necessary to adequately protect the interests of the public. 22 Tex. Admin. Code §213.33(e)(4) requires the issuance of a Reprimand to include reasonable probationary stipulations, such as supervised practice, periodic Board review, remedial education, and limited nursing activities. The Board finds that the imposition of such probationary stipulations are necessary to ensure the Respondent's ability to safely practice nursing. Finally, the imposition of these probationary stipulations are consistent with the Board's prior administrative decisions involving similar facts.

IT IS, THEREFORE, ORDERED THAT RESPONDENT shall receive the sanction of a REPRIMAND WITH STIPULATIONS, and RESPONDENT SHALL comply

in all respects with the Nursing Practice Act, Texas Occupations Code §§301.001 *et seq.*, the Rules and Regulations Relating to Nurse Education, Licensure and Practice, 22 TEX. ADMIN. CODE § 211.1 *et seq.* and this Order.

IT IS FURTHER ORDERED that, while under the terms of this Order, this Order SHALL apply to any and all future licenses issued to Respondent to practice nursing in the State of Texas.

IT IS FURTHER ORDERED that this Order SHALL be applicable to Respondent's nurse licensure compact privileges, if any, to practice nursing in the State of Texas.

# PROPOSAL FOR DECISION

Staff of the Texas Board of Nursing (Staff/Board) sought to revoke the vocational nurse license of Winifred Joyce Baker (Respondent) for violations of the Texas Nurse Practice Act, TEX. OCC. CODE ANN. ch. 301 (Act). The administrative law judge (ALJ) recommends that Respondent's license be revoked.

## I. JURISDICTION, NOTICE, AND PROCEDURAL HISTORY

The hearing convened on October 19, 2010, before ALJ Paul Keeper in Austin, Texas. Staff was represented by Lance R. Brenton, assistant general counsel. Respondent failed to appear. Staff moved for entry of a default proposal for decision. Staff offered competent evidence establishing jurisdiction and notice. Those matters are addressed in the findings of fact and conclusions of law.

## II. RECOMMENDATION

In accordance with 1 TEX. ADMIN. CODE (TAC) § 155.501, the ALJ grants Staff's motion for default and recommends that Respondent's license vocational nursing license be revoked.

## III. FINDINGS OF FACT

1. Winifred Joyce Baker (Respondent) is a licensed vocational nurse and holds License No. 174293 issued by the Texas Board of Nursing (Staff/Board).

2. On August 20, October 11, and November 20, 2007, and on September 14, 2009, Staff sent notices to Respondent that Staff was initiating an investigation of charges against her. The notices were sent to Respondent's address of record with the Board by certified mail and regular mail.

3. None of Staff's certified mail notices of investigation of charges were received by Respondent.

4. On September 17 and October 28, 2009, Staff sent to Respondent by certified mail and regular mail the notice of the Formal Charges that had been filed against her.

5. On December 7, 2009, Respondent sent to Staff a written response to Staff's Formal Charges, reflecting Respondent's receipt of the Formal Charges.

6. On August 20, 2010, Staff sent by certified mail its Notice of Hearing to Respondent at her last known address, P.O. Box 1426, Mansfield, Texas 76063, as shown in the Board's records. The notice was returned unclaimed.

7. The notice of hearing contained a statement of the time, place, and nature of the hearing; a statement of the legal authority and jurisdiction under which the hearing was to be held; a reference to the particular sections of the statutes and rules involved; and a short, plain statement of the matters asserted.

8. The notice of hearing contained the following language in capital letters in at least 12-point boldface type: "FAILURE TO APPEAR AT THE HEARING IN PERSON OR BY LEGAL REPRESENTATIVE, REGARDLESS OF WHETHER AN APPEARANCE HAS BEEN ENTERED, WILL RESULT IN THE ALLEGATIONS CONTAINED IN THE FORMAL CHARGES BEING ADMITTED AS TRUE AND THE PROPOSED RECOMMENDATION OF STAFF SHALL BE GRANTED BY DEFAULT."

9. On October 19, 2010, the hearing on the merits was convened according to the notice of hearing. Respondent did not appear and was not represented at the hearing on the merits, and the factual allegations set forth in the Formal Charges were deemed admitted.

10. On June 17, 2007, while Respondent was a staff nurse at John Peter Smith Health Facility at the Tarrant County Jail, Fort Worth, Texas, she inappropriately administered three 5-milligram (mg) doses of intravenous Valium directly into the vein of an inmate after the inmate had possible seizure activity three times, each lasting 30 to 60 seconds.

11. Respondent's conduct on June 17, 2007, was likely to injure the inmate from non-efficacious care and/or possible adverse overdose reactions due to the administration of excessive medication.

12. On June 26, 2007, while Respondent was a staff nurse at John Peter Smith Health Facility at the Tarrant County Jail, Fort Worth, Texas, she misappropriated facility supplies to inappropriately initiate intravenous access and then administer intravenous Valium 5mg to a staff emergency medical technician (EMT) without his consent and without a physician's order, after JK recovered from a seizure and refused the Valium.

13. Respondent's conduct on June 26, 2007, was likely to injure the EMT from non-efficacious care and/or possible adverse reactions due to the medication administered without the benefit of a physician's expertise.

14. On June 26, 2007, while Respondent was a staff nurse at John Peter Smith Health Facility at the Tarrant County Jail, Fort Worth, Texas, she failed to document in a medical record an assessment of the seizure or that she initiated intravenous access and administered intravenous Valium 5mg after the staff EMT recovered from the seizure.

15. On June 26, 2007, Respondent's conduct resulted in an incomplete medical record.

16. On September 2, 2009, Staff received notice from the Texas Guaranteed Student Loan Corporation that Respondent had defaulted on her Texas Guaranteed Student Loan.

17. Respondent's conduct in defaulting on her loan was an exhibition of unprofessional conduct that may have deprived other students of funds necessary for their educational programs.

## IV. CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter. TEX. OCC. CODE ANN. (Code) ch. 301.
