LICENSE NO. L0049769

STIPULATION, SETTLEMENT AND ORDER

This matter comes on before the Informal Disposition Panel ("Panel") of the Oklahoma Board of Nursing ("Board") on the 14th day of January, 2009, in the Conference Room of the Board Office, 2915 North Classen Boulevard, Suite 524, Oklahoma City, Oklahoma.

Lisa Griffitts, R.N., a Nurse Investigator with the Board, appears in person, and Belinda Ann Story Goodpasture, L.P.N., (hereinafter, "Respondent") appears in person with counsel, Jake Jones, III, before the Panel on this date. Respondent, Respondent's counsel, and the Nurse Investigator participated in an investigative conference on November 6, 2008, and subsequently consented to this Order.

STIPULATION

Respondent and the Panel hereby stipulate and agree to the following joint stipulation and proposed Order of the Board incorporating this stipulation and agreement in the above-styled matter.

1. Respondent is licensed to practice licensed practical nursing in the State of Oklahoma and is the holder of License No. L0049769 issued by the Oklahoma Board of Nursing.
2. The Respondent instructed the therapist to transport Resident C.W. to the building where the Respondent's office was located (Rose building) for a focused assessment. The Respondent left the Rose building prior to the arrival of Resident C.W. and the therapist. As the Respondent was driving away from the Rose building, the Respondent saw the therapist bringing Resident C.W. in a wheelchair to the Rose building. Thereafter, Resident C.W.'s fingerstick blood sugar was obtained with a reading of 31 (normal range is 80 – 110 mg/dl).

3. No formal complaint has been filed as of the date of this stipulation charging Respondent with a violation of the Oklahoma Nursing Practice Act. Respondent understands that Respondent has a right to require that a formal complaint be filed and the right to a formal hearing before the Board at which time Respondent could confront the witnesses against Respondent, cross-examine those witnesses, and present evidence in Respondent's own behalf. Respondent understands that by signing and agreeing to this stipulation Respondent is waiving those rights.

4. This stipulation is executed by the Respondent for the purpose of avoiding further administrative action with respect to this cause. In this regard, Respondent authorizes the Board to review and examine all investigative file materials concerning Respondent prior to or in conjunction with consideration of this stipulation. Furthermore, should this joint stipulation not be accepted by the Board, it is agreed that presentation to and consideration of this stipulation and other documents and matters by the Board shall not unfairly or illegally prejudice the Board or any of its members from further participation, consideration or resolution of these proceedings.

5. Respondent fully understands that this joint stipulation and subsequent Final Order incorporating same will in no way preclude additional proceedings by the Board against Respondent for acts or omissions not specifically made a part of this stipulation.

6. Respondent expressly waives all further procedural steps, and expressly waives all rights to seek judicial review of or to otherwise challenge or contest the validity of this joint stipulation of facts, conclusions of law and imposition of discipline, and the Final Order of the Board incorporating said stipulation.

7. It is expressly understood that this stipulation is subject to approval of the Board and has no force and effect until approved and Ordered by the Board.

8. This Stipulation, Settlement, and Order does constitute formal disciplinary action.
