In the Matter of	§	
MICHAEL BARTHOLOMEW JENNINGS	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by MICHAEL BARTHOLOMEW JENNINGS, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on March 21, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about August 13, 2007, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner, at the time of the petition, was enrolled in an Associate Degree Nursing Program with Lee College, Baytown, Texas, with an anticipated graduation date of May 2008.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to the question which reads in part as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved*

*arrests? This includes expunged offenses and deferred adjudication with or without prejudice of guilt."*

5. Petitioner disclosed the following criminal history, to wit:
  - A. On October 19, 1999, Petitioner was charged with the misdemeanor offense of Disorderly Conduct in the County Court at Law No. 8 of Harris County, Texas. Petitioner entered a plea of nolo contendere and was assessed a fine in the amount of eighty-two dollars and seventy-five cents (\$82.75).
  - B. On June 5, 2000, Petitioner was charged with the misdemeanor offense of Minor in Possession of Tobacco in the County Court at Law of Harris County, Texas. Petitioner entered a plea of guilty and was ordered to attend a Tobacco Awareness Program.
  - C. On August 8, 2000, Petitioner was charged with the misdemeanor offenses of Minor in Consumption of Alcohol and Minor in Possession of Tobacco in the Municipal Court of Webster, Texas. Petitioner entered a plea of no contest and was assessed a fine in the amount of two hundred twenty dollars (\$220.00).
  - D. On September 9, 2000, Petitioner was charged with the misdemeanor offense of Minor in Possession of Drug Paraphernalia in the County Court at Law of Harris County, Texas. Petitioner entered a plea of guilty and was ordered to attend treatment.
  - E. On March 9, 2001, Petitioner was convicted of the misdemeanor offense of Minor Consuming Alcohol in the County Court at Law No. 8 of Harris County, Texas, and was assessed a fine in the amount of two hundred two dollars and seventy-five cents (\$202.75).
  - F. On March 14, 2001, Petitioner was charged with the misdemeanor offense of Disorderly Conduct in the County Court at Law No. 8 of Harris County, Texas. Petitioner entered a plea of nolo contendere and was assessed a fine in the amount of five hundred dollars (\$500.00).
  - G. On August 6, 2001, Petitioner was charged with two counts of the misdemeanor offense of Minor in Possession of Tobacco in the County Court at Law No. 8 of Harris County, Texas. Petitioner entered a plea of nolo contendere to both counts and was assessed a fine in the amount of one hundred seventy-five dollars and fifty cents (\$175.50).
  - H. On October 5, 2006, Petitioner was arrested for the misdemeanor offense of Driving While Intoxicated in Houston, Texas. The criminal offense was pending at the time of the drafting of this Order.

6. There is no evidence of any subsequent criminal conduct.
7. On March 4, 2008, Petitioner was seen by Rion N Hart, Ph.D., to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph examination. The results of the evaluation revealed no indicators of any significant psychological impairment or disorder that, by itself, would prevent Petitioner from performing the duties and accepting the responsibilities of professional nursing. The results related to substance abuse or dependence were somewhat mixed. Some tests indicated no problems in this area while other indicate a probable tendency toward substance abuse, now involving alcohol. The polygraph examination results were determined to reflect some deception, so the veracity of his report of drug and alcohol abuse may not be accurate. There was no concrete evidence of an ongoing substance dependence, but Dr. Hart cannot be clear whether Petitioner is free from alcohol abuse because of the above noted findings. Of course, alcohol abuse alone would not prevent him from performing as a nurse, but given his past it would place him in potential jeopardy for developing into a dependence that could compromise his ability to practice nursing. Based on this evaluation, Petitioner does appear to be able to consistently behave in accordance with Rules 213.27-213.29 as well as the minimum standards that are outlined in 217.11. There was also nothing in the results that would preclude him from avoiding behaviors constituting unprofessional conduct as stipulated in 217.12.
8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.
9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
10. Petitioner has sworn that his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. On March 21, 2008, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

### CONCLUSIONS OF LAW

1. The Texas Board of Nursing has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform his conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
