Dear Ms. Moneymaker:

This office is in receipt of information alleging that while employed as a Licensed Vocational Nurse with Charter Behavioral Health Systems of Dallas in Dallas, Texas, on or about January 29, 1997, you gave a patient of the Adult Psychiatric Unit sexually suggestive photographs of yourself.

It is also alleged that on or about January 29, 1997, you provided said patient with your personal pager number. Furthermore it is alleged that on or about January 29, 1997, you offered said patient medication that had not been ordered, said medication was your personal Vicodin.

We have initiated an investigation into this matter to determine if you have violated any of the provisions of the Vocational Nurse Act of Texas (Article 4528c, V.A.C.S.).

You are afforded this opportunity to respond to the allegations that have been made and to show that you have complied with all requirements of the law, i.e., Article 4528c, Section 10, V.A.C.S., for the retention of your license to practice vocational nursing in Texas.

We have enclosed Order Forms for a copy of the Vocational Nurse Act and Rules and Regulations.

You may be interested in a provision of the Vocational Nurse Act for the Voluntary Surrender of a license. The return of the license along with your notarized statement that you no longer desire to be licensed, will enable the Board to revoke your license without formal charges, notice or a hearing. We are enclosing such an affidavit form for your consideration. To execute it, please sign the affidavit before a notary public and return it to the Board office, along with any vocational nursing license(s)/renewal form that you have in your possession.

One (1) year from the date the Board accepts the voluntary surrender, you may request a reinstatement hearing by submitting a letter to the Board office. You must be present at your reinstatement hearing, and the Board will require that you provide evidence of rehabilitation/fitness to practice vocational nursing.

Dear Ms. Moneymaker:

As you are aware, on June 9, 1998, the Board of Vocational Nurse Examiners endorsed an Agreed Board Order. Your license to practice Vocational Nursing in the State of Texas was suspended, suspension stayed and placed on probation for a period of one (1) year.

Said Order stipulated, in part, that you shall be responsible for causing your immediate nursing supervisor(s) to submit satisfactory reports directly to the Board office on a monthly basis for the first six (6) months of probation. Thereafter, and throughout the remainder of said probation, you shall be responsible for causing your immediate nursing supervisor(s) to submit satisfactory reports directly to the Board office on a quarterly basis. The receipt of an unfavorable and/or untimely report shall be considered a violation of probation.

Said Order further stipulated, in part, that any period(s) of nursing unemployment must be documented in writing by you and submitted to the Board office, as provided in the above stipulation regarding employer reports.

Said Order also stipulated, in part, that you shall successfully complete nursing program course(s) encompassing the following areas of study: Legal Aspects of Nursing (to include Charting, & Patient Confidentiality) (at least 8 hours in length), Nursing Ethics (at least 8 hours in length), and submit documentation of successful course completion to the Board office within the first six (6) months of probation.

Further, said Order stipulated, in part that you shall be responsible for locating said course(s) and obtaining prior written approval of Board staff prior to committing to said course(s). The expense of said course(s) shall be borne by Respondent. Failure to successfully complete said course(s) within the time frame stipulated, shall be considered a violation of probation.

A review of your probation file has disclosed that you have failed to cause your nursing employers to submit required, monthly reports on or before the due dates of October 9, 1998, and November 9, 1998.

Further, it has been disclosed that you have failed to obtain prior written approval to commit to said course(s) in order to complete the required nursing course(s) on or before the due date of December 9, 1998.

Sandy Moneymaker  
November 18, 1998  
Page 2

Therefore, it is alleged that you have violated the terms of your probation.

We have initiated an investigation into the matter to determine if you have violated any of the provisions of the Vocational Nurse Act of Texas (Article 4528c, V.A.C.S.).

We have enclosed Order Forms for a copy of the Vocational Nurse Act and Rules and Regulations.

You are afforded this opportunity to respond to the allegations that have been made and to show that you have complied with all requirements of the Vocational Nurse Act of Texas (Article 4528c, V.A.C.S.) for the retention of your license to practice vocational nursing in Texas.

You may be interested in a provision of the Vocational Nurse Act for the Voluntary Surrender of a license. The return of the license along with your notarized statement that you no longer desire to be licensed will enable the Board to revoke your license without formal charges, notice or a hearing. We are enclosing such an affidavit form for your consideration. To execute it, sign the affidavit before a notary public and return it to the Board office, along with any vocational nursing license(s)/renewal form that you have in your possession.

One (1) year from the date the Board accepts the voluntary surrender, you may request a reinstatement hearing by submitting a letter to the Board office. You must be present at your reinstatement hearing, and the Board will require that provide evidence of rehabilitation/fitness to practice vocational nursing.

Thank you for your attention. If you have any questions concerning this matter, please contact the Investigation Division.

Sincerely,

Carolyn Hudson  
Investigator

## STATEMENT OF PREHEARING CONFERENCE PROCEDURES

You have received a copy of the Complaint filed against you alleging statutory violations or grounds to take disciplinary action against you under the Vocational Nurse Act, Tex. Rev. Civ. Stat. Ann., Art. 4528c. This prehearing conference was scheduled at your request, to give you an opportunity to refute the allegations of the Complaint, in whole or in part and to potentially avoid the necessity of conducting a contested case hearing on the Complaint before an Administrative Law Judge with the State Office of Administrative Hearings.

The prehearing conference will be conducted pursuant to the Rules of the Board of Vocational Nurse Examiners and as part of a contested case proceeding under the Administrative Procedure Act. You should be aware of the following standards, which apply to this prehearing conference:

- 1) You have the right to be represented by an attorney in the prehearing conference. At anytime, should you decide not to proceed without an attorney being present, please advise us immediately, and we will discontinue the prehearing conference.
- 2) During the prehearing conference, other parties, including the Board staff and any Board member present, may ask you questions. You are under no obligation to answer any question posed to you in the conference.
- 3) Your participation in the conference is voluntary and you may terminate the conference at any time.

If you elect not to complete the prehearing conference, a hearing will be scheduled before an Administrative Law Judge with the State Office of Administrative Hearings, to consider evidence and propose action on the Complaint filed against you.

No written or recorded transcript of this hearing will be made. Nothing said by you or your attorney will be used as evidence at any hearing or proceeding on the Complaint. This does not mean that any other evidence, including any prior statements made by you, will not be presented at such hearing.

At the prehearing conference, the staff will describe the evidence to be offered in support of the allegations in the Complaint and you will be given the opportunity to review such available evidence. You may present evidence in your defense of the charges against you. If, in the judgment of the prehearing conference members, the evidence offered does not substantiate the allegations of the Complaint, it will be dismissed and no further action taken.

STATEMENT OF PREHEARING CONFERENCE PROCEDURES  
PAGE 2

At the conclusion of the prehearing conference, you will be excused from the room, and the prehearing conference members will deliberate and formulate a proposed disposition of the Complaint. You may accept or reject the proposed disposition. If you reject the recommendation, a hearing on the Complaint will be scheduled before an Administrative Law Judge with the State Office of Administrative Hearings.

If you elect to accept the recommendation, the staff will prepare an Agreed Order for your signature. By signing the Agreed Order, you are waiving your right to a hearing on the Complaint and are authorizing the staff to present the Agreed Order to the Board for its consideration. The Board will consider the Agreed Order at the next available regularly scheduled meeting. In considering the Agreed Order, the Board will only have knowledge of the Complaint; no other evidence or information will be presented.

If the Board elects to ratify the Agreed Order, that action will finally dispose of the Complaint. If the Board rejects the Agreed Order, the Complaint will be scheduled for hearing at another meeting, with advance notice to you. The staff does not have authority to ratify the Agreed Order or settle the case without Board approval. The entry of an Agreed Order is public information. The Board will not consider the execution of an Agreed Order as an admission that the allegations in the Complaint are true.

Should you have any questions, please bring them to the attention of the prehearing conference members, or consult your attorney, if any. By placing your signature below, you indicate that you have read and understood this Statement of Prehearing Conference Procedures.
